

Angels, Angels Everywhere

The illustration depicts a serene forest scene. Three angels with large, feathered wings are the central figures. One angel on the left stands with a red cape, holding a small object. Another angel in the center kneels, gently touching the head of a young deer. A third angel on the right sits on a rock, looking towards the water. In the background, a calm lake reflects the sky, with a wooden dock, a small boat, and a cabin nestled among trees. The overall atmosphere is peaceful and natural.
