Angry Abolitionist: William Lloyd Garrison Jules Archer,1969 A biography of the journalist who became famous in the 1830 s for his denunciations of slavery and whose printed attacks on slave dealers caused his arrest William Lloyd Garrison William David Thomas,2009-08 Profiles the life and work of the abolitionist and journalist who published his beliefs about antislavery *The Liberator* Amos Esty,2010 William Lloyd Garrison didn't mind the threatening letters In fact he expected them After all he was the most famous and outspoken abolitionist in the United States In 1831 when Garrison started his antislavery newspaper most white Americans simply accepted slavery as a fact of life Whether in the North or South whites assumed that they would always be free and that blacks at least of them would always be slaves So when Garrison called his fellow white Americans hypocrites and criminals for supporting slavery he wasn't surprised that some people responded with angry letters Garrison spent his life fighting against slavery His dedication made him an outcast in his own city cost him close friendships and left him struggling to earn enough to support his family But he never gave up because he always believed that he was right Before long he was not alone in the struggle as he inspired more and more Americans to join one of the greatest social movements in the nation's history Book jacket **Angry Abolitionists and the Rhetoric of Slavery** Benjamin Lamb-Books,2016-08-03 This book is an original application of rhetoric and moral emotions theory to the sociology of social movements It promotes a new interdisciplinary vision of what social movements are why they exist and how they succeed in attaining momentum over time Deepening the affective dimension of cultural sociology this work draws upon the social psychology of human emotion and interpersonal communication Specifically the book revolves around the topic of anger as a unique moral emotion that can be made to play crucial motivational and generative functions in protest The chapters develop a new theory of the emotional power of protest rhetoric including how abolitionist performances of heterodox racial and gender status imaginaries contributed to the escalation of the sectional conflict over American slavery *William Lloyd Garrison and the Fight Against Slavery* William Lloyd Garrison,1994-11-15 **William Lloyd Garrison, the Abolitionist** Archibald Henry Grimké,1891 william lloyd garrison the abolitionist archibald h. grimke,1891 *A Biography of Oliver Johnson, Abolitionist and Reformer, 1809-1889* Steven M.
