## **Animal Immortality:**

**The Christian Understanding of Animal Immortality** Natalia Doran, 2025-12-12 This book confronts a question rarely addressed in Orthodox theology what becomes of the animals we love after death Drawing on the writings of the Church Fathers and the conceptual language of classical Trinitarian and Christological debates the book argues that Orthodox theology possesses the tools to speak credibly about the immortality of animals Without intellectual over reach or cliched sentimental consolation it examines the issue with philosophical and theological rigour Both intellectually demanding and pastorally sensitive it invites readers into an overdue conversation

Animal futurity; a plea for the immortality of the brutes Joseph Hamilton, 1877

Animal Subjects Jodey Castricano, 2008-05-20 Although Cultural Studies has directed sustained attacks against sexism and racism the question of the animal has lagged behind developments in broader society with regard to animal suffering in factory farming product testing and laboratory experimentation as well in zoos rodeos circuses and public aquariums The contributors to Animal Subjects are scholars and writers from diverse perspectives whose work calls into question the boundaries that divide the animal kingdom from humanity focusing on the medical biological cultural philosophical and ethical concerns between non human animals and ourselves The first of its kind to feature the work of Canadian scholars and writers in this emergent field this collection aims to include the non human animal question as part of the ethical purview of Cultural Studies and to explore the question in interdisciplinary terms

*Immortal Animal Souls* Rod Preece,2005 Does our close relationship with the sentient beings who give us so much emotional and physical comfort indicate they have immortal souls Preece emeritus Wilfrid Laurier U goes far beyond this simple question in his collection of debates subtitled Joseph Hamilton s Animal Futurity 1877 Together with the Debate among Karkeek Spooner and Manthorp on The Future Existence of the Brute Creation in The Veterinarian 1839 1840 The issue is charged not only because human deliberation over animal immortality is also human deliberation about human immortality but also because claiming strictly human immortality is a type of chauvinism that extends to deny non human animals the respect they deserve In the series of debates and Hamilton s text reprinted here both sides skate along the edge of philosophy and theology while making points in the good old eclectic Victorian way with citations from a range of disciplines Annotation 2006 Book News Inc Portland OR booknews.com **Animals' Rights Considered in Relation to Social Progress** Henry S.
