Reese, 2018-10-30 *Strategies for Successful Animal Shelters* is the first book to assess the relationship between shelter traits activities and critical outcome variables such as live release or save rates This book provides a data based evaluation of shelter processes and practices with explicit recommendations for improved shelter activities Using a survey of licensed animal shelters case studies and data on state inspections complaints and save rates this book provides an assessment of the activities processes and procedures that are most likely to lead to positive outcomes for a variety of animal shelters The book also contributes to community debate

around animal sheltering and provides best practices methods and means to assess local shelters to ensure the highest level of animal welfare It is a valuable resource for animal shelter professionals and rescue groups as well as students in disciplines such as animal science animal welfare and shelter medicine Offers best practice recommendations and how they are used in animal shelters Analyzes which shelter traits programs and activities are most strongly associated with optimal outcomes including live release rates Includes an assessment of future research and activities to optimize animal welfare within shelters

**Animal Shelters** John Clendening,2014-07-15 There are many animals within the United States that don't have a home Fortunately there are many animal shelters across the country that can take them in and help them find loving owners This book provides a detailed look at the many ways these shelters care for our animal buddies

**The Lives and Deaths of Shelter Animals** Katja M Guenther,2020-08-18 By investigating the connection between the shelter and the community vastly expands notions of intersectionality democracy and inclusivity Leslie Irvine American Journal of Sociology

Monster is an adult pit bull muscular and grey who is impounded in a large animal shelter in Los Angeles Like many other dogs at the shelter Monster is associated with marginalized humans and assumed to embody certain behaviors because of his breed And like approximately one million shelter animals each year Monster will be killed

**The Lives and Deaths of Shelter Animals** takes us inside one of the country's highest intake animal shelters Katja M Guenther witnesses the dramatic variance in the narratives assigned different animals including Monster which dictate their chances for survival She argues that these inequalities are powerfully linked to human ideas about race class gender ability and species Guenther deftly explores internal hierarchies breed discrimination and importantly instances of resistance and agency Powerful and timely Katja M Guenther unlocks the shelter door and eloquently explains this complicated and contested multispecies space as she reflects on issues such as witnessing vulnerability advocacy grievability compassion and animal resistance

Carol J Adams author of *The Sexual Politics of Meat* In this compassionate incisive ethnography Katja M Guenther illuminates the entangled injustices that shape human relationships with other animals

Lori Gruen author of *Entangled Empathy* With the perfect balance of intimacy and analytical depth the author reminds us of how messy things can get when caring and killing become one or when the value of the animal companion's life is measured by the race gender and zip code of the owner

B n dicte Boisseron author of *Afro Dog*

*How Shelter Pets are Brokered for Experimentation* Allie Phillips,2010-12-28 Back in the 1940s the practice referred to as Pound seizure became a common practice in taxpayer funded animal shelters across the country Whether for cosmetic testing human or animal drug testing medical technique and tool testing or biochemical testing these once family pets are subjected to experimentation that often ends in death While many states fail to keep accurate data the number of pets that become victims of pound seizure easily reaches the thousands and though most citizens are unaware of the practice it may very well be happening at their local animal shelter Pound seizure remains a dirty little secret in American society but the practice is moving toward extinction with the help of local citizens advocating for change at their

shelter as well as animal rescue and welfare organizations providing assistance and advocacy Learning more about the practice as well as alternatives will help give readers a fuller picture of what's happening in American animal shelters and what they can do to stem the tide of dealers and brokers sweeping off animals to their almost certain demise **Rescued - Saving Animals from Disaster** Allen Anderson, Linda C. Anderson, 2006 The inspiration for Rescued was the tragic situation with pets during the Katrina disaster thousands refusing to leave without their pets and many animals dying due to official indifference The authors interviewed hundreds of volunteers hurricane survivors and government officials They offer both hope and practical suggestions as well as the latest information on official policy and how to help in future catastrophes

**Finding Home** Traer Scott, 2015-09-22 Bold retiring serious sparkling quirky or lovable the dogs in Traer Scott's remarkable photographs regard us with humor dignity and an abundance of feeling Scott began photographing these dogs in 2005 as a volunteer at animal shelters Her first book Shelter Dogs was a runaway success and in this follow up Scott introduces a new collection of canine subjects each with indomitable character and spirit Morrissey a pit bull who suffered from anxiety-related behaviors brought on by shelter life until adopted by a family with four children Chloe a young chocolate Lab mix surrendered to a shelter by a family with allergies Gabriel and Cody retired racing greyhounds and Bingley a dog who lost his hearing during a drug bust but was brought home by a loving family that has risen to the challenge of living with a deaf dog Through extended features we become better acquainted with the personalities and life stories of selected dogs and watch as they experience the sometimes rocky and always emotional transition to new homes The portraits in Finding Home form an eloquent plea for the urgent need for more adoptive families as well as a tribute to dogs everywhere One

at a Time Diane Leigh, Marilee Geyer, 2003 Half the households in America include an animal companion Yet each year community shelters take in six to eight million unwanted dogs and cats who face an uncertain fate With compelling photos and moving vignettes this book chronicles the true stories of 75 animals who entered a typical U S animal shelter during one week witnessed and documented by the authors Infectious Disease Management in Animal Shelters Lila Miller, Kate F. Hurley, 2011-11-16 Infectious Disease Management in Animal Shelters is a comprehensive guide to preventing managing and treating disease outbreaks in shelters Emphasizing strategies for the prevention of illness and mitigation of disease this book provides detailed practical information regarding fundamental principles of disease control and specific management of important diseases affecting dogs and cats in group living environments Taking an in depth population health approach the text presents information to aid in the fight against the most significant and costly health issues in shelter care facilities

**Animal Shelters and Pet Overpopulation** Shanna Marie Wheeler, 2004 **Rescuing Rover** Raymond Bial, 2011 Looks at the problem of dog overpopulation in America discusses the role of puppy mills pet stores and independent breeders and includes a profile of a local animal shelter **Publicity to the Rescue** Susan C. Daffron, 2011-11-01 Most people think about publicity in the context of bringing people to events or raising money But publicity can bring you other benefits as well

You can use simple and affordable publicity tactics to recruit volunteers find foster families and increase adoptions Get practical advice along with creative ideas inspirational case studies and examples of real press releases that will help you plan and implement your own publicity campaign Publicity doesn't have to be complicated expensive or scary Even if you're a bit shy or introverted using just a few simple publicity tactics you can spread the word about the great things you're doing to help the animals Susan Daffron is also the author of the popular shelter and rescue fundraising book **Funds to the Rescue** 101 Fundraising Ideas for Humane and Animal Rescue Groups **Mutual Rescue** Carol Novello, 2019-04-09 A moving and scientific look at the curative powers both physical and mental of rescuing a shelter animal by the president of Humane Society Silicon Valley **MUTUAL RESCUE** profiles the transformational impact that shelter pets have on humans exploring the emotional physical and spiritual gifts that rescued animals provide It explores through anecdote observation and scientific research the complexity and depth of the role that pets play in our lives Every story in the book brings an unrecognized benefit of adopting homeless animals to the forefront of the rescue conversation In a nation plagued by illnesses 16 million adults suffer from depression 29 million have diabetes 8 million in any given year have PTSD and nearly 40% are obese rescue pets can help 60% of doctors said they prescribe pet adoption and a staggering 97% believe that pet ownership provides health benefits For people in chronic emotional physical or spiritual pain adopting an animal can transform and even save their lives Each story in the book takes a deep dive into one potent aspect of animal adoption told through the lens of people's personal experiences with their rescued pets and the science that backs up the results This book will resonate with readers hungering for stories of healing and redemption **Animal Rescue Shelter** Jay Dale, 2014-11-15 Engage Literacy is the new reading scheme from Raintree that introduces engaging and contemporary content to motivate and support early readers while providing a reliable and instructional framework All titles are precisely levelled with new vocabulary being introduced and reinforced throughout the levels This is a level 21 non-fiction title in the Gold book band level **Defending the Defenseless** Allie Phillips, 2011-07-21 Defending the Defenseless is a practical how-to book on getting involved to protect companion animals Each chapter is dedicated to a specific area in which all of us can become involved to protect cats dogs and other companion animals and includes practical tips on taking action from the smallest of tasks to more involved measures such as making a career of helping animals or launching a large-scale advocacy campaign This book provides everything you need to know to do more for animal companions **Finding Shelter** Jesse Freidin, 2017-04-01 The healing beauty and joy of the animal shelter system Without volunteers our nation's animal shelter system simply would not exist Volunteers speak for those that cannot speak pick up the pieces for abandoned animals that have been let down by previous owners or unfortunate circumstances and do whatever it takes to heal the deepest of wounds In Finding Shelter award-winning photographer Jesse Freidin shows the softer side of this story He witnessed firsthand how many of the volunteers were able to mend their own emotional hurts with the love the shelter animals gave back to them and

how the power of these relationships transforms shelters into places where humans and animals can heal together This realization propelled him to take a two year journey across the country to document the tenderness and healing beauty and joy he encountered within the shelter system The result is a heartwarming inspiration for people to look differently at how to save shelter pets In Finding Shelter Freidin sparks a new discussion about animal rescue and what it feels like to truly love an animal

**The Ethics of Animal Shelters** Valéry Giroux, Kristin Voigt, Angie Pepper, 2023 Ethical dilemmas and decision making are a persistent feature of the everyday operations of animal shelters and animal protection organizations These organizations frequently face difficult decisions about how to treat the animals in their care decisions that are made all the more difficult by limited funding material resources and human labor Moreover animal protection organizations must also determine how to act within and toward the wider social and institutional environment in which non human animals are routinely exploited The first section of The Ethics of Animal Shelters contains practical recommendations developed by ethicists in response to the ethical challenges identified by employees of the Montreal Society for the Prevention of Cruelty to Animals These challenges arise across the organization s activities including its internal structure shelter operations public campaigns and advocacy work dealing with the public animal agriculture and governmental agencies and their work with feral animals The second section offers philosophical analyses of the ethical challenges unique to animal shelters Issues explored include the killing of shelter animals shelter animals diets medical decision making procedures adoption policies and the role shelters might play in transforming social attitudes and norms

Bridging the Bond Tami L. Harbolt, 2009-08-29 What happens behind the doors of the animal shelter This book will introduce the reader to the work culture of animal shelter employees volunteers activists educators and pets By weaving together her own personal memoirs with interviews of workers the author describes the traditions philosophies history and current social dynamics of a typical animal welfare community She examines how the daily interactions personal philosophies disparate methods technology and life experiences of the humans and pets influence the care of homeless animals often playing an intricate role in the life or death situation each pet eventually faces
