Animal Activists Handbook:

The Animal Activist's Handbook Matt Ball, Bruce Friedrich, 2009 Matt Ball and Bruce Friedrich take the plight of the world's animals seriously and have dedicated their lives to ending their suffering. The Animal Activist's Handbook argues that meaning in life is to be found quite simply in turning away from the futile pursuit of more and focusing instead on leaving the planet a better place than you found it. The critical component of creating a better world for all is thoughtful, deliberate and dedicated activism that takes suffering seriously. The authors build a ground up case for reasoned, impassioned and joyous activism that makes the most difference possible and suggest a variety of ways to live a meaningful life through effective and efficient advocacy.
