William Ralph La Porte

Animal Games:

Large Animal Games Steve Yockey,2010 This incisive unexpected and larger than life tale of sex love and self delusion tracks the overlapping escapades of a group of friends old enough to know better in love but still naive enough to mess things up anyway and the man who supplies them with equal parts tough love lingerie and self awareness In a series of fluid scenes *Large Animal Games* takes a comically skewed and razor sharp look at modern relationships through a mix of bullfights big game hunting and intimate apparel Publisher description

The Animal's Game Dwayne Kimbrough,2023-10-27 Man is threatened only by fellow man Great is that threat because man throughout history has fought fellow man All impactful nations of our world fight other nations and must spend enormously because they must be ready to fight It seems that we cannot outgrow fighting This book imagines a world in which man does not engage in war Animals are surrogates and only animals engage in fighting to the death Such practice is beneath civilized man but he is not totally removed Humans are obsessed with watching animals fight to the death The animals do not mind What happens when kids try it Once the passion for fierce fighting enters the blood can humans resist the urge to engage in war Yes they are superior to animals but can humans refrain from doing the thing they believed they were too smart to ever do
