**Animal Magnetism Unmasked** Max Kappeler,2000\* *Mary Baker Eddy and Her Book, Science and Health with Key to the Scriptures* William Denison McCrackan,1925 Science And Health Mary Baker Eddy,2014-03-17 Science And Health is the foundational textbook on the system of physically emotionally or mentally healing your mind and body It is based on Mary Baker Eddy's discoveries and what she afterwards named Christian Science The book offers new spiritual insights on the scriptures and briefs the reader with regard to his relationship with God *Christian Science* Stephen Gottschalk,1978

**The Emergence of Christian Science in American Religious Life** Stephen Gottschalk,2024-06-04 Christian Science is one of only two indigenous American religions the other being Mormonism Yet it has not always been examined seriously within the context of the history of religious ideas and the development of American religious life Stephen Gottschalk fills this void with an examination of Christian Science's root concepts the informing vision and the distinctive mission as formulated by its founder Mary Baker Eddy Concentrating on the quarter century preceding Eddy's death a period of phenomenal growth for Christian Science Gottschalk challenges the conventional academic view of the movement as a fringe sect He finds instead a serious and distinctive though radical religious teaching that began to flower just as orthodox Protestantism began to fade He gives a clear and detailed account of the rancorous controversies between Christian Science and the various mind cure and occult movements with which it is often associated and contends that Christian Science appealed to disenchanting Protestants because of its pragmatic quality a quality that relates it to the mainstream of American culture This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 **Science and Health with Key to the Scriptures** Mary Baker Eddy,1912 **The Truth about Christian Science** James Henry Snowden,1920 *The Spirit World Unmasked* Henry Ridgely Evans,1897

Benjamin Franklin Unmasked Jerry Weinberger,2005 Taking the Autobiography as the key to Franklin's thought Weinberger argues that previous assessments have not yet probed to the bottom of Ben's famous irony and elusiveness While others take the self portrait as an elder statesman's relaxed and playful retrospection Weinberger unveils it as the window to

Franklin's deepest reflections on God, virtue, justice, equality, natural rights, love, the good life, the modern technological project, and the place and limits of reason in politics and human experience. Along the way, Weinberger explores Franklin's ribald humor, usually ignored or toned down by historians and critics, and shows it to be charming and philosophic. **The**
