## Arizona Dream:

*Notes from the Underground* Goran Gocić, 2001 The Cinema of Emir Kusturica Notes from the Underground is the first book on the Sarajevan film maker to be published in English With seven highly acclaimed films to his credit Kusturica is already established as one of the most important of contemporary filmmakers with each of his films winning prizes at major festivals around the world In covering films such as *Underground* *Arizona Dream* and *Black Cat White Cat* this timely new study delves into diverse facets of Kusturica's work much of which is passionately dedicated to the marginal and the outcast as well as discourses of national and cultural identity

**Johnny Depp** Denis Meikle, 2007-04 The star of some of the best American films in recent history Johnny Depp is also one of Hollywood's most versatile and enigmatic actors From *Edward Scissorhands* *What's Eating Gilbert Grape* *Ed Wood* and *Donnie Brasco* to his Oscar nominated performances in *Pirates of the Caribbean* and *Finding Neverland* his film roles have always been unconventional earning him international respect and adoration In *Johnny Depp A Kind of Illusion* film journalist Denis Meikle looks at the effects that Depp's rising critical and commercial stature may have on the direction of his career including his recent film *Pirates of the Caribbean 2*

**The Films of Johnny Depp** William B. Parrill, 2017-02-10 Since his rise to fame in the television series *21 Jump Street* in 1987 and his subsequent transition to film acting Johnny Depp has received constant criticism for his choice of roles at least until his popular turn in the *Pirates of the Caribbean* series This book aims to reveal the ways in which Depp's choices of film roles though often considered eccentric allowed him to develop into the representative film actor of his time It organizes all of Depp's films chronologically narrating in the process his transition from underestimated teenage pretty boy to bona fide Hollywood hotshot Along the way the book addresses Depp's relationship to earlier film actors especially to Marlon Brando and the silent comics the influence of Depp's androgynous sexuality on both his choice of roles and his acting and his relationships with directors Terry Gilliam and Tim Burton

**Enfant Terrible!** Murray Pomerance, 2002-11 *Enfant Terrible* Jerry Lewis in American Film is the first comprehensive collection devoted to one of the most controversial and accomplished figures in twentieth century American cinema A veteran of virtually every form of show business Lewis's performances onscreen and the motion pictures he has directed reveal significant film making talents and show him to be what he has called himself a Total Film Maker Yet his work has been frequently derided by American critics Book jacket *Liahona*, 1927

**The Santa Fe Magazine**, 1914 *Forum*, 1992 *Emir Kusturica* Dina Iordanova, 2002-07 With no less than two Golden Palms from Cannes and scores of other top awards Bosnian born Emir

Kusturica is one of the most decorated and celebrated film directors in the world. Films such as *Time of the Gypsies* (1989) and *Underground* (1995) have captivated audiences with their extraordinary imagination, exuberant energy, and challenging and often contentious subject matter. But Kusturica is also one of the most controversial directors working in cinema today. While many critics have praised his free-flying fantasy, others have found his films excessively exoticized and overdrawn. Some have publicly criticized his politics. He has an extensive international fan following who worship his work and think of him as a film-making genius, but there are also people who think of him as an opportunist.

Dina Jordanova's study in the BFI World Directors series is a balanced examination of Kusturica's personality, films, artistry, and ideology. It acknowledges the contradictions but tries to understand and make them comprehensible to others. The text presents an overview of Kusturica's career from early films with their debt to Russian cinema and the Czech New Wave (*Do you Remember Dolly Bell* 1981, *When Father Was Away on Business* 1985) to the most recent *Black Cat White Cat* (1998) and the rockumentary *Super 8 Story* (2001). It pays tribute to his attractive and impressive aesthetics and investigates the particularities of his ideology. The author details Kusturica's artistic and personal roots dating back to socialist Sarejevo in the former Yugoslavia, examining the sources of his unique artistry and the complex ideological and political issues that arise from their production and reception histories. Dina Jordanova's account presents a uniquely rounded view of this fascinating director, showing how Kusturica's intensely held, though changing, Balkan affiliations lie at the root of a practice which has proved to be one of the latest and glorious flowerings of the European auteurist tradition.

**Desert Happy** Douglas Rigby, 1957 Impressions of the author's first year in southern Arizona, including regional history, anecdotes about new friends, and the plants and animals of the desert.

**Ants and Orioles** Donald M. Bahr, Lloyd Paul, Vincent Joseph, 1997 During Pima social dances, men and women join hands and stomp throughout the night to the rhythm of Ant songs and Oriole songs performed by specialized singers. While these songs provide the substance of Native American poetry, until now no one has asked how these songs and others form a Native American poetic tradition, nor has anyone asked what makes some of these poems good.

**VideoHound's Golden Movie Retriever 1996** VideoHound Editors, Videohound, 1995-09 USA Today gave it a 4 star rating, the Houston Chronicle called it by far the best, and the New York Times says the Hound takes the lead in a blaze of supplemental lists. The new 1996 edition of America's favorite guide to movies on video offers over 22,000 video reviews, including 1,000 new reviews.

**Leonard Maltin's 2010 Movie Guide** Leonard Maltin, 2009 More than 10,000 DVD and 14,000 Video listings. I recommend Leonard Maltin's Guide, which has become standard.
