*The Armenian File* Kâmuran Gürün,2001      **The History of the Armenian Genocide** Vahakn N. Dadrian,2003 Dadrian a former professor at SUNY Geneseo currently directs a genocide study project supported by the Guggenheim Foundation The present study analyzes the devastating wartime destruction of the Armenian population of the Ottoman Empire as the cataclysmic culmination of a historical process involving the progressive Turkish decimation of the Armenians through intermittent and incremental massacres In addition to the excellent general bibliography there is an annotated bibliography of selected books used in the study Annotation copyright by Book News Inc Portland OR      **The Armenian Massacres of 1915-1916 a Hundred Years Later** Flavia Lattanzi,Emanuela Pistoia,2018-05-30 This peer reviewed book features essays on the Armenian massacres of 1915 1916 It aims to cast light upon the various questions of international law raised by the matter The answers may help improve international relations in the region In 1915 1916 roughly a million and a half Armenians were murdered in the territory of the Ottoman Empire which had been home to them for centuries Ever since a dispute between Armenians and Turkey has been ongoing over the qualification of the massacres The contributors to this volume examine the legal nature and consequences of this event Their investigation strives to be completely neutral and technical The essays also look at the broader issue of denial For instance in Turkey public speech on the matter can still trigger criminal prosecution whereas in other European States denial of genocide war crimes and crimes against humanity is criminalized However the European Court of Human Rights views criminal prosecution of denial of the Armenian massacres as unlawful In addition one essay considers a state s obligation to remember by looking at lessons learnt from the Inter American Court of Human Rights Another contributor looks at a collective right to remember and some ideas to move forward towards a solution Moreover the book explores the way the Armenian massacres have affected the relationship between Turkey and the European Union      **Untold Histories of the Middle East** Amy Singer,Christoph Neumann,Selcuk Aksin Somel,2010-07-28 Much traditional historiography consciously and unconsciously glosses over certain discourses narratives and practices This book examines silences or omissions in Middle Eastern history at the turn of the twenty first century to give a fuller account of the society culture and politics With a particular focus on the Ottoman Empire Turkey Egypt Iran and Palestine the contributors consider how and why such silences occur as well as the timing and motivation for breaking them Introducing unexpected sometimes counter intuitive issues in history chapters examine women and children survivors of the Armenian massacres in 1915 Greek Orthodox subjects who supported the Ottoman empire and the formation of the Turkish republic the conflicts among Palestinians during the revolt of 1936 39 pre marital sex in modern Egypt Arab authors writing about the Balkans the economic not national or racial origins of anti Armenian violence the European women who married Muslim Egyptians Drawing on a wide range of sources and methodologies such as interviews newly discovered archives fictional accounts and memoirs each chapter analyses a story and its suppression considering how their absences

have affected our previous understandings of the history of the Middle East *The Armenian Massacres in Ottoman Turkey* Guenter Lewy, 2005-11-30 Avoiding the sterile was it genocide or not debate this book will open a new chapter in this contentious controversy and may help achieve a long overdue reconciliation of Armenians and Turks **The Treatment of Armenians in the Ottoman Empire, 1915-1916** James Bryce Bryce (Viscount), James Bryce, Arnold Toynbee, 2000 **Power in the Periphery** Janet Klein, 2002 *Addressing Turkish Genocide Apologists*, 1989 **Mideast File**, 1987 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Ararat**, 1991 **The Armenians** Razmik Panossian, 2006-05-27 The Armenians traces the evolution of Armenia and Armenian collective identity from its beginnings to the Armenian nationalist movement over Gharabagh in 1988 Applying theories of national identity formation and nationalism Razmik Panossian analyzes different elements of Armenian identity construction and argues that national identity is modern predominantly subjective and based on a political sense of belonging Yet he also acknowledges the crucial role of history art literature religious practice and commerce in preserving the national memory and shaping the cultural identity of the Armenian people Panossian explores a series of landmark events among them Armenians first attempts at liberation the Armenian renaissance of the nineteenth century the 1915 genocide of the Ottoman Armenians and Soviet occupation He shows how these influences led to a multilocal evolution of Armenian identity in various places in and outside of Armenia notably in diasporan communities from India to Venice Today these numerous identities contribute to deep divisions and tensions within the Armenian nation the most profound of which is the cultural divide between Armenians residing in their homeland and those who live in the United States Canada the Middle East and elsewhere Considering the diversity of this single nation Panossian questions the theoretical assumption that nationalism must be homogenizing Based on extensive research conducted in Armenia and the diaspora including interviews and translation of Armenian language sources The Armenians is an engaging history and an invaluable comparative study An Extensive Bibliography of Studies in English, German and French on Turkish Foreign Policy, 1923-1997 Mustafa Aydın, M.
