Gold,Margaret M. Gold,2020-12-03 Festivals have always been part of city life but their relationship with their host cities has continually changed With the rise of industrialization they were largely considered peripheral to the course of urban affairs Now they have become central to new ways of thinking about the challenges of economic and social change as well as repositioning cities within competitive global networks In this timely and thought provoking book John and Margaret Gold provide a reflective and evidence based historical survey of the processes and actors involved charting the ways that regular festivals have now become embedded in urban life and city planning Beginning with David Garrick s rain drenched Shakespearean Jubilee and ending with Sydney s flamboyant Mardi Gras celebrations it encompasses the emergence and consolidation of city festivals After a contextual historical survey that stretches from Antiquity to the late nineteenth century there are detailed case studies of pioneering European arts festivals in their urban context Venice s Biennale the Salzburg Festival the Cannes Film Festival and Edinburgh s International Festival Ensuing chapters deal with the worldwide

proliferation of arts festivals after 1950 and with the ever increasing diversification of carnival celebrations particularly through the actions of groups seeking to assert their identity The conclusion draws together the book's key themes and sketches the future prospects for festival cities Lavishly illustrated and copiously researched this book is essential reading not just for urban geographers social historians and planners but also for anyone interested in contemporary festival and events tourism urban events strategy urban regeneration regeneration or simply building a fuller understanding of the relationship between culture planning and the city [Celebrate!](#) Victoria Philpott,2022-01-24 Vibrant photos from the Rio Carnival to the Beltane Fire Festival in Edinburgh With background history as well as practical information A gift full of celebratory spirit Every culture likes to party Traditional celebrations whether the Hindu Holi Festival or the Japanese Cherry Blossom Festival have traveled beyond their origins to become international phenomena Whether seasonal or religious such holidays represent the human need for authentic experience direct encounter and a sense of time or the spiritual This volume leads readers back to the roots of these annual events and festivals exploring their history meanings and evolutions With vibrant photographs as well as practical information on each featured event it's a captivating journey of cultural exploration and joie de vivre Text in English and German **World Vedic Heritage** Purushottam Nagesh Oak,2003
