Arrested Development Anthony Moorehead, 2015-03-10 The problem of Arrested Development is becoming more pronounced especially among men This book was written primarily with men in mind although certainly not exclusively Anthony Moorehead examines this dilemma from a completely different perspective than that of the typical bleeding heart leftist The leftist view is commonly pontificated in academia and has both helped to foster and exasperate the issue Since Arrested Development is a rather recent concern relative to only a couple generations this book examines the changes that have engendered the problem The correlation between morality and maturity and how they are inextricably linked is especially examined Moorehead also takes a look at how a lack of the former contributes to a stunted juvenile mind and lifestyle
