*Beijing Record: A Physical And Political History Of Planning Modern Beijing* Jun Wang,2011-01-03 Beijing Record the result of ten years of research on the urban transformation of Beijing in the last fifty years brings to an extended Western audience the inside story on the key decisions that led to Beijing s present urban fragmentation and its loss of memory and history in the form of bulldozing its architectural heritage Wang s publication presents a survey of the main developments and government level both central and municipal decisions devoting a lot of attention to the 1950s and 1960s when Beijing experienced a critical wave of transformative events Shortly after its original Chinese bestseller edition was published by SDX joint Publishing Company House in October 2003 it ignited a firestorm of debate and discussion in a country where public interaction over such a sensitive subject rarely surfaces The Chinese edition is in its 11th print run and was translated into Japanese in 2008 This newly translated English version has the latest update on the author s findings in the area As the only edition printed in full color with nearly 300 illustrations the English version powerfully showcases the stunning architecture culture and history of China s Dynamic Capital Beijing Home to more than 15 million people this ancient capital city not surprisingly has a controversial complicated history of planning

and politics development and demolition The publication raises a number of unsettling questions Why have a valuable historical architectural heritage such as city ramparts gateways old temples memorial archways and the urban fabric of hutongs traditional alleyways and siheyuan courtyard houses been visibly disappearing for decades Why are so many houses being demolished at a time of economic growth Is no one prepared to stand up for the preservation of the city For his research Wang went through innumerable archives read diaries and collected an unprecedented quantity of data accessing firsthand materials and unearthing photographs that clearly document the city s relentless unprecedented physical makeover In addition he conducted more than 50 in person interviews with officials planners scholars and other experts Many illustrations are published here for the first time compiled in the 1990s when archival public access was reformulated
