Dublin Burial Grounds And Graveyards:

Dublin Burial Grounds & Graveyards Vivien Igoe,2001 Bully s Acre in Kilmainham is one of Dublin s oldest burial grounds dating to the time of St Maigneann in the sixth century It has survived centuries of change in Ireland and it is not the only such place around the country s capital In and around the city there is a wealth of graveyards and churchyards waiting to be explored It was not until the nineteenth century that the development of the large multid denominational graveyards such as Glasnevin and Dean s Grange began outside the city limits Consequently many of the older sites left behind within the inner city have been forgotten or often paved over But there is still much to be found if you know where to look Famine and Disease in Ireland E Margaret Crawford,2020-06-01 This collection contains Five volumes of reprints of contemporary works relating to the Great Famine including writings on the medical conditions in Ireland at the time gathered from the Dublin Journal of Medical Science and similar publications **A Guide Through Glasnevin Cemetery** ,1879 Resting Places Scott Wilson,2016-09-05 In its third edition this massive reference work lists the final resting places of more than 14 000 people from a wide range of fields including politics the military the arts crime sports and popular culture Many entries are new to this edition Each listing provides birth and death dates a brief summary of the subject s claim to fame and their burial site location or as much as is known Grave location within a cemetery is provided in many cases as well as places of cremation and sites where ashes were scattered Source information is provided **Directory of Graveyards in the Dublin Area** Dublin Public Libraries,1990 A name and address listing of known graveyards in county Dublin Includes agency responsible for care period of use present location of burial death records and references to published surveys for each graveyard Famine and Disease in Ireland, vol 1 Leslie Clarkson,E Margaret Crawford,2018-05-08 The Great Famine of 1845 9 remains the great climacteric in Irish history This title contains the first volume in a set of five of reprints of contemporary works relating to the Great Famine including writings on the medical conditions in Ireland at the time gathered from the Dublin Journal of Medical Science and similar publications **Accounts and Papers of the House of Commons** Great Britain. Parliament. House of Commons,1875 **Irish Law Reports Annotated Reprint** Max Robertson,Anthony B. Babington,1913 **Parliamentary Papers** Great Britain. Parliament. House of Commons,1914 Encyclopedia of Cremation Douglas J. Davies,2010-10 The Encyclopedia of Cremation is the first major reference resource focused on cremation Spanning many world cultures it documents regional histories ideological movements and leading individuals that fostered cremation whilst also presenting cremation as a universal practice Tracing ancient and classical cremation sites historical and contemporary cremation processes and procedures of both scientific and legal kind the encyclopedia also includes sections on specific cremation rituals architecture art and text **The Cross of Sacrifice: NCOs, Men and Women of the UK, Commonwealth and Empire Who Died in the Service of the Royal Navy, Royal Marines, Royal Navy Air Service, Royal Flying Corp and the RAF 1914-1921** S. D. & D. B. Jarvis,2012-03-27 This list is

set out in two sections The Royal Navy with the Navies of the Empire and the Royal Marines and The Royal Naval Air Service Royal Flying Corps and Royal Air Force As with the other volumes in the series date and place of death are given with place of burial or commemoration This volume breaks new ground by recording the deaths and burial sites of other ranks and extending the date of research to 1921 The title is not exactly right since it makes no mention of Warrant Officers who are included in the lists

The Cross of Sacrifice: Officers Who Died in the Service of British, Indian and East African Regiments and Corps, 1914-1919 S. D. & D. B. Jarvis, 2012-03-27 A tremendous piece of research conducted over ten years in which are listed in alphabetical order the names of over 60 000 officers of the British Empire who died during the Great War including nurses and female aid workers Based on the CWGC Registers the information provided includes not only that shown in Officers Died but also the place of burial or commemoration The alphabetical listing means that looking up a name does not require prior knowledge of the regiment as in Officers Died though this information is given as well as cross reference to the relevant page number in Officers Died
