Dunn's Conundrum Eric Bercovici,1987 The Deliverance of God Douglas A. Campbell,2013-03-18 This book breaks a significant impasse in much Pauline interpretation today pushing beyond both Lutheran and New perspectives on Paul to a noncontractual apocalyptic reading of many of the apostle s most famous and most troublesome texts In *The Deliverance of God* Douglas Campbell holds that the intrusion of an alien essentially modern and theologically unhealthy theoretical construct into the interpretation of Paul has produced an individualistic and contractual construct that shares more with modern political traditions than with either orthodox theology or Paul s first century world In order to counteract that influence Campbell argues that it needs to be isolated and brought to the foreground before the interpretation of Paul s texts begins When that is done readings free from this intrusive paradigm become possible and surprising new interpretations unfold

The Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7
