Dusty Letters:

Letters from the Heart: A Christmas Novella of Lost Love, Found Purpose, and Timeless Connection Noelle Evergreen, When Clara Thompson returns to her grandmother's home for the holidays she expects nothing more than a quiet Christmas spent packing up old memories. But when she uncovers a weathered box of letters in the attic, each one signed by a man named Henry Callahan, she finds herself drawn into a forgotten romance that once lit up the world of a woman named Margaret. As Clara reads the deeply personal correspondence, she becomes captivated by the emotional story unfolding across the pages. With each letter, long-buried truths about her own family begin to surface, and so do questions about her own path in life. Guided by the love story of two people she never knew, Clara must decide whether to play it safe or follow the whisper of something more. Sometimes the past delivers exactly the message we need in the present. *Letters from the Heart* is a poignant and heartwarming holiday novella about love that spans generations, the healing power of remembrance, and the unexpected ways the past can inspire a new future.
