

Greater Dutch Colonial Influence In The Americas

 Dutch Colonies

Dutch In America

John Fiske

Dutch In America:

The Dutch in America, 1609-1974 Gerald Francis De Jong, 1975 Traces the history of Dutch Americans discussing why each wave of immigrants left Holland where they settled and their way of life in and contributions to their new country from colonial times to the present *The Dutch in America* Gerrit J. TenZythoff, 1976 The history of the Dutch in the New World from 1664 to the present describing their contributions to their adopted homeland and culture as farmers traders fighters and artists **The Story of New Netherland** William Elliot Griffis, 1909 **The Dutch American Identity** Terence Schoone-Jongen, 2008 Each year thousands of communities across the United States celebrate their ethnic heritages values and identities through the medium of festivals Drawing together elements of ethnic pride nostalgia religious values economic motives cultural memory and a spirit of celebration these festivals are performances that promote and preserve a community s unique identity and heritage while at the same time attempting to place the ethnic community within the larger American experience Although these aims are pervasive across ethnic heritage celebrations two festivals that appear similar may nevertheless serve radically different social and political aims Accordingly *The Dutch American Identity* examines five Dutch American festivals three of which are among the oldest ethnic heritage festivals in the United States in order to determine what such festivals mean and do for the staging communities Although Dutch Americans were historically among the first ethnic groups to stage ethnic heritage festivals designed to attract outside audiences and despite the fact that several Dutch American festivals have met with sustained success little scholarship has focused on this ethnic group s festivals Moreover studies that have considered festivals staged by communities of European descent have typically focused on a single festival *The Dutch American Identity* thus on the one hand seeks to call attention to the historical development and current sociocultural significance of Dutch American heritage festivals On the other hand this study aims to elucidate the ties that bind the five communities that stage these festivals together rather than studying one festival in isolation from the others Creatively combining several methodologies *The Dutch American Identity* describes and analyzes how the social political and ethical values of the five communities are expressed performed acted out represented costumed and displayed in their respective festivals Rather than relying on familiar even stereotypical notions of the Midwest rural America conservative America etc that often appear in contemporary political discourse Schoone Jongen shows just how complex and contradictory these festivals are in the ways they represent each community At the same time by placing these festivals within the context of American history Schoone Jongen also demonstrates how and why each festival is a microcosm of particular cultural social and political developments in modern America *The Dutch American Identity* is an important book for sociology performance studies folklore immigration history anthropology and cultural history collections *The Dutch in America, Sixteen Nine to Nineteen Seventy-Four* Gerald F. Dejong, 1975-03 **The Dutch and America**, 1982 [Netherlanders in America](#) Henry Stephen Lucas, 1955 **The Story of New Netherland** William Elliot 1843-1928 Griffis, 2021-09-09 This work has been

selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Four Centuries of Dutch-American Relations Hans Krabbendam, Cornelis A. van Minnen, Giles Scott-Smith, 2009-09-09 A comprehensive history of bilateral relations between the Netherlands and the United States *Four Centuries of Dutch-American Relations* Hans Krabbendam, Cornelis A. van Minnen, Giles Scott-Smith, 2009-09-09 Since Henry Hudson landed on Manhattan in 1609 the peoples of the Netherlands and North America have been inextricably linked *Four Centuries of Dutch American Relations* written by a team of nearly one hundred Dutch and American scholars is the first book to offer a comprehensive history of this bilateral relationship This volume covers the main paths of contacts conflicts and common plans from the first exploratory contacts in the early seventeenth century to the intense and multifaceted exchanges in the early twenty first Based on the most up to date research *Four Centuries of Dutch American Relations* will be for years to come a valuable and much used reference work for anyone interested in the history and culture of the United States and the Netherlands and the larger transatlantic interdependent framework in which they are embedded

Dutch Americans Linda Pegman Doezema, 1979

Boer, Burgher, Businessman Maren Dingfelder Stone, 2007 The study is an imagological analysis of Dutch immigrants in the United States giving insights into stereotyping identity formation and the marketing of ethnicity Tracing Dutch American literary images through four centuries of writing in America the study emphasizes the continuity of Dutch American history The assessment of images in their socio cultural context reveals the disparity between literary and socio cultural perception the latter of which often evokes Dutch ethnicity in the United States as a mere means to an end While the study ascertains which images of Dutch Americans have dominated public perception it also investigates the origins of such images their persistence irrespective of time and location and the reasons for their fluctuating interpretations

A Manual of the Reformed Church in America (formerly Reformed Protestant Dutch Church), 1628-1922 Charles Edward Corwin, 1922

The Dutch and Quaker Colonies in America John Fiske, 1899

Narrative and Critical History of America Justin Winsor, 1886

Narrative and Critical History of America: French explorations and settlements in North America, and those of the Portuguese, Dutch, and Swedes, 1500-1700. [c1884 Justin Winsor, 1884

The Dutch-Munsee Encounter in America Paul Otto,2006-05-01 Employing a frontier framework this book traces intercultural relations in the lower Hudson River valley of early seventeenth century New Netherland It explores the interaction between the Dutch and the Munsee Indians and considers how they and individuals within each group interacted focusing in particular on how the changing colonial landscape affected their cultural encounter and Munsee cultural development At each stage of European colonization first contact trade and settlement the Munsees faced evolving and changing challenges Understanding culture in terms of worldview and societal structures this volume identifies ways in which Munsee society changed in an effort to adjust to the new intercultural relations and looks at the ways the Munsees maintained aspects of their own culture and resisted any imposition of Dutch societal structures and sovereignty over them In addition the book includes a suggestive afterword in which the author applies his frontier framework to Dutch indigenous relations in the Cape colony

Dutch and English on the Hudson Maud Wilder Goodwin,1919

Going Dutch ,2008-01-31 This volume investigates the place of Dutch history and Dutch derived culture in America over the last four centuries It considers how the Dutch have fared in America and it explores how American conceptions of Dutchness have developed from Henry Hudson s historic voyage to Manhattan in 1609 through the rise of Dutch design at the turn of the twenty first century Essays probe a rich array of topics Dutch themes in American arts and letters the place of Dutch paintings in American collections shifting American interests in Dutch art literature and architecture the experience of Dutch immigrants in America and the Dutch Reformed Church in America Going Dutch presents a much needed overview of the Dutch American experience from its beginnings to the present Contributors include Julie Berger Hochstrasser Willem Frijhoff Joyce D Goodfriend Hans Krabbendam Joseph Manca Nancy T Minty Mark A Peterson Christopher Pierce Judith Richardson Louisa Wood Ruby Benjamin Schmidt Robert Schoone Jongen Annette Stott Tity de Vries and Dennis P Weller
