Wicked

Adirondacks Dennis Webster,2013-02-05 While the Adirondack Mountains are New York s most beautiful region they have also been plagued by insidious crimes and the nasty escapades of notorious lawbreakers In 1935 public enemy number one Dutch Schultz went on trial and was acquitted in an Adirondack courtroom Crooks have tried creative methods to sidestep forestry laws that protect the flora of the state park Members of the infamous Windfall Gang led by Charles Wadsworth terrorized towns and hid out in the high mountains until their dramatic 1899 capture In the 1970s the Adirondack Serial Killer Robert Francis Garrow petrified campers in the hills Join local author Dennis Webster as he explores the wicked deeds and sinister characters hidden among the Adirondacks peaks Literary Digest ,1934 Bootleggers and Beer Barons of the Prohibition Era J. Anne Funderburg,2014-04-04 This work is an accurate wide ranging and entertaining account of the illegal liquor traffic during the Prohibition Era 1920 to 1933 Based on FBI files legal documents old newspapers and other sources it offers a coast to coast survey of Volstead crime outrageous stories of America s most notorious liquor lords including Al Capone and Dutch Schultz Readers will find the lesser known Volstead outlaws to be as fascinating as their more famous counterparts The riveting tales of Max Hassel Waxy Gordon Roy Olmstead the Purple Gang the Havre Bunch and the Capitol Hill Bootlegger will be new to most readers Likewise the exploits of women bootleggers and flying bootleggers are unknown to most Americans Books about Prohibition usually note that Canadian liquor exporters abetted the U S bootleggers but they fail to go into detail Bootleggers and Beer Barons examines the major cross border routes for smuggling liquor from Canada into the U S Quebec to Vermont and New York Ontario to Michigan Saskatchewan to Montana and British Columbia to Washington The Mafia Nate Hendley,2013-08-27 Based on original sources and research not legends and myth this book presents a lively in depth analysis of how the American Mafia epitomizes organized crime Whether it s supplying illicit drugs alcohol during Prohibition gambling prostitution or even loans to those with bad credit the Mafia has established itself as a part of the fabric of American society politics and economics for over a century The Mafia continues to exist not only because of their immense power that allows their criminal organization to defy law enforcement but because demand remains strong for what they offer This book utilizes verifiable information about the Mafia based on newspaper and magazine accounts police and FBI documents court records and the author s own original research to offer a deeper analysis of the Mob that provides historical social economic and cultural context Fascinating biographical sketches that profile well known Mafiosi such as Charles Lucky Luciano and John Gotti are also presented **Bonnie and Clyde** Nate Hendley,2007-05-30 A biography of the outlaws who terrorized the U S Southwest and Midwest during the early 1930s *The Big Con* Nate Hendley,2016-09-06 This title depicts confidence games and the history and laws surrounding them *Bootlegger* Ed Taggart,Edward A. Taggart,2003 *Bootlegger* is about a Jewish immigrant who became a bootlegger at the age of 19 during Prohibition By the time he was 24 the government claimed he owed 1 2 million in income taxes He was a rarity in that he never used violence to achieve his wealth After three of his breweries in Reading Pennsylvania were closed

down in 1928 he became a partner with Waxey Gordon the foremost beer baron in the country Their syndicate in North Jersey New York and Pennsylvania controlled 17 breweries according to the Prohibition Bureau When real beer was legalized in 1933 Hassel became a legitimate brewer by placing a tax stamp on every barrel leaving his breweries This was in direct opposition to the plans of the Luciano Lansky forces whose plan was to retain control of the beer and liquor industries after Prohibition Hassel was killed by mob hit men setting off an investigation that ruined the mob s scheme The mystery of who killed Hassel was not solved for almost seventy years Hassel was not just another beer man who gained considerable wealth in the bootleg racket He gave to numerous charities and financed a free loan society for the poor during Prohibition The Hassel Foundation today gives grants totaling hundreds of thousands of dollars each year to worthy causes in the Philadelphia and Reading area
