Dying For Dana

John Wentworth

Dying For Dana:

Dying for Dana Jim Patton,2003-11-08 Max Travis is one of the country's best prosecutors. In court, few can match his determination to bring criminals to justice, even if it's at the expense of his own personal life. When two of Max's close friends are the victims of a violent robbery that leaves one of them critically injured, Max begins an investigation into the crime, only to have life throw him a curve ball in the form of Dana Waverleigh, a beautiful woman who may just turn out to be the love of his life. But there are things about Dana that Max hasn't discovered. Running from the past, Dana is trying to escape her ex-lover Jack Nizhl, one of the robbers in Max's case. When Jack learns of Dana's involvement with Max, he pressures her for information, causing her to question where her true love lies. All the while, Jack's partner, an unbalanced meth addict, comes closer and closer to taking out any and all people who might have a hand in bringing him in, including his partner's former lover. As Max becomes further entangled in this dangerous web of deceit, he no longer knows whom he can trust, only that if he doesn't bring in the criminals soon, he and the woman he's grown to love may be the next victims.

A Stitch Before Dying Anne Canadeo,2010-12-28 The third mystery in Anne Canadeo's winning Black Sheep Knitting series featuring a fivesome with a knack for knitting and solving crimes. When Maggie Messina, owner of the Black Sheep Knitting Shop, is invited to give knitting workshops at a Berkshires spa resort, she manages to negotiate a cottage that fits all five of the Black Sheep for what promises to be a weekend of knitting bliss. But while the friends are expert at counting stitches, they haven't counted on murder. Guests and staff at the Crystal Lake Inn are as varied as a mixed bag of yarn, but most colorful is certainly the owner, charismatic self-help guru and former psychiatrist Dr. Max Flemming. The doctor may have told all in a revealing autobiography, but from his ex-wife to the widow of his former business partner, both employees at the inn, Max seems mired in shadows from his past. And when a killer strikes during a mountaintop retreat, the Black Sheep wonder what the good doctor might be hiding. The police seem to be following the wrong thread. But while Maggie's workshops have given the knitters a unique view of the tensions at the little inn, can they make sense of a crime that is as complexly stranded as a Fair Isle sweater? When the killer murders a second time, the Black Sheep wonder if they've dropped a stitch and put themselves in mortal danger.

Dear Sun, I Am Real S. G. RAINBOLT,2011-10-13 Dark migraines are a side effect from his hundred-year sleep that takes over Dana's mind. The young boy wrestles with restless nights as he loses grip on reality, and the key to saving not only himself but hundreds on Galaxy, a ship destined to arrive in the center of the universe sometime the next millennium. Doubtful of his abilities, Dana is forced to rely on computer-generated companions to stop a digital paradox from destroying the ship and returning to Earth. He must succeed, but he falls short of the genius he once was. It is the genius he needs to be to end the unbridled paradox that is unraveling before him. He is destined to fail because he is the one who created it. Dana's monocle, hung on the back of the corridor computer's arm chair, having been snagged out of his pocket during the fight. An approaching red star's rays shone through the nearby window, passed through the Earth relic, and focused hot light over his

forehead The ship swayed suddenly marking a once sanctioned space voyage being overly adjusted Dana s motionless body rolled to its side passing under the legless chair with the beaming monocle light following him Finally he awoke and jolted to his feet grabbing his head and leaning forward to brace himself as the ship pitched violently and rolled imminently again The terminal screen transitioned from standby mode to full on as it detected a human at the controls again A route map to the ship s bridge flashed up It was at that time he knew he had to find the girl he loved and kill her
