Dynamics Of Decentralization Canadian Federalism And British Devolution:

The Dynamics of Decentralization Michael Keating, Trevor C. Salmon, Queen's University (Kingston, Ont.). School of Policy Studies, 2001 The constitutional differences between federal Canada and unitary Britain used to appear to be clear However in recent times the Canadian federal system has become increasingly fluid and Britain has embarked on the path of devolution to Northern Ireland Scotland and Wales In *The Dynamics of Decentralization* the authors discuss and evaluate the questions raised by these issues

Political Liberalism and Plurinational Democracies Ferran Requejo, Miquel Caminal, 2012-08-06 The current context of developed societies is characterised by a number of phenomena the most significant of which are processes of economic globalisation information technologies increasing multiculturalism and the emergence of cases of national pluralism which require full political accommodation both within democracies and in the international sphere The book examines the current state of affairs concerning the political recognition and constitutional accommodation of national pluralism in liberal democracies in the global era of the 21st century The aim of this volume is to reveal the normative analytical and institutional shortcomings of liberal democracies in multinational contexts and to offer alternatives that theoretically refine and practically improve the recognition and political accommodation of national pluralism within the democratic polity Through a series of analyses linked to the development of political liberalism in contemporary states the contributors analyse the direct impact on the way that democracies have treated and continue to treat national pluralism in modern day societies Bringing together leading scholars in the field to explore the different debates and approaches to this important issue this volume will interest researchers and students of nationalism federalism and multiculturalism as well as political actors and policy makers with a particular interest in the management of diversity in present day liberal democracies

Territory, Democracy and Justice S. Greer, 2005-12-16 *Territory Democracy and Justice* brings together experts from six countries to ask what territorial decentralization does and what it means for democracy policymaking and the welfare state Integrated and international in a fragmented field the chapters identify the importance and consequences of territorial decentralization The authors analyze the successes the generalizable ideas and the international lessons in the study of comparative territorial politics as well as new directions for research

The New Labour Constitution Michael Gordon, Adam Tucker, 2022-02-10 The New Labour government first elected in 1997 had a defining influence on the development of the modern UK constitution This book combines legal and political perspectives to provide a unique assessment of the way in which this major programme of constitutional reform has changed the nature of the UK constitution The chapters written by leading experts in UK public law and politics analyse the impact and legacy of the New Labour reform programme some 20 years on from the 1997 general election and reveal the ways in which the UK constitution is now to a significant extent the New Labour constitution The book takes a broad approach to exploring the legacy of the New Labour years for the UK constitution The contributors evaluate a range of specific substantive reforms

including on human rights devolution freedom of information and the judicial system changes to the process and method of constitutional reform under New Labour the impact on key institutions such as the judiciary and Parliament and a number of wider constitutional themes including national security administrative justice and the relationship between the Labour Party and constitutionalism The book also reflects on the future challenges for the constitution constructed by New Labour and the prospects for further constitutional reform In bringing together this range of perspectives to reflect on the implications of the New Labour era of reform this book offers a critical examination of a foundational period in the development of the contemporary UK constitution

Money, Politics and Health Care Institute for Research on Public Policy, Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations, 2004 Current tensions in intergovernmental fiscal arrangements are thus important impediment to improving the health care system At the same time the failure of provinces to correct health care problems acts a serious irritant in intergovernmental relations creating a vicious cycle where deficiencies in intergovernmental fiscal relations make health care reform difficult while failures to effect health care reform increase conflict between the provinces and the federal government This collection of essays analyses key issues in federal provincial health care relations particularly the fiscal component The authors look at why there is a role for the federal government in health care and consider the critical issues in recent intergovernmental political battles over this role The issues of whether the vertical federal provincial fiscal imbalance is myth or reality how much the federal government does and should contribute financially to provincial health care programs and methods for settling disputes such as those over user fees are discussed The authors also provide concrete proposals for reconstructing the federal provincial partnership Contributors include Keith Banting Queen's University Robin Boadway Queen's University David Cameron University of Toronto Harvey Lazar Jennifer McCrea Logie France St Hilaire and Jean Francois Tremblay

Canadian Political Culture(s) in Transition Hamish Telford, Harvey Lazar, 2002 Canada The State of the Federation 2000-01 probes beneath the surface to determine if the obvious changes the fractious federal party system the common sense revolution in government budgeting the re birth of the sovereignty movement in Quebec and the re assertion of Aboriginal claims are symptomatic of a shift in Canadian political culture Arguably political changes in Canada have been greater in the 1990s than in any other decade since Confederation but do these changes signify a shift in Canadian political culture Can we even speak of a Canadian political culture What are the consequences of these changes for the federation Are Canadians more or less united Are federal provincial relations better or worse What does the future hold The authors attempt to answer these questions through analyses of the federal party system politics in the provinces and regions and political dynamics in a number of issue areas including Aboriginal politics the Charter multiculturalism the rural urban cleavage and social policy

Bridging the Divide Tom Axworthy, 2008 Responding to the contemporary situation of escalating violence often driven by religious and ideological differences the InterAction Council of former world leaders engages scholars and religious leaders of all world

faiths in one of the most important debates of our time Bridging the Divide poses fundamental questions Can religion help build bridges between civilizations in conflict Is a global ethic possible Believing that religious misunderstanding has led to world conflict the Council led by Helmut Schmidt former chancellor of the federal republic of Germany has developed a research agenda to ask the following questions Can religious become a force for peace Can the virtue of tolerance be taught Do world religions share a core ethic What can be done to thwart those who exploit and abuse faith for their own ends Bridging the Divide makes available the results of these explorations The first two sections present perspectives on Buddhism Christianity Confucianism Hinduism Islam Judaism and Shinto Religious practitioners and scholars look beyond the differences toward a common goal a global ethic of mutual respect compassion and peace In the third section politicians and academics discuss the possibility of a universal ethic while the fourth section presents a culmination of this work a draft of a Universal Declaration of Human Responsibilities *Canadian Books in Print. Author and Title Index*, 1975 **Federalism, Democracy and Health Policy in Canada** Queen's University (Kingston, Ont.).
