Babe Ruth & the American Dream Ken Sobol, 1974-01-01 *Babe Ruth and the 1918 Red Sox* Allan Wood, 2000-12-26 Babe Ruth and the 1918 Red Sox is the first complete account of Boston's fifth World Series championship The year is famous but most fans know very little about the season During that tumultuous summer the Great War in Europe cast an ominous shadow over the national game as enlistments and the draft wreaked havoc with every team's roster Players and owners fought bitterly over contracts and revenue the parks were infested with gamblers and the Red Sox and the Chicago Cubs almost called off the World Series And a Boston player known as The Colossus 23 year old Babe Ruth began his historic transformation from pitching ace to the game's greatest slugger Wood also poses a chilling question Was the 1918 World Series fixed Sports Illustrated called the book an entertaining and exhaustive account of a tumultuous season

and Robert W Creamer author of the definitive biography of Ruth said Mr Wood has lit upon one of the most turbulent and important and at the same time least known years in baseball history He has done remarkable revelatory research and he has a clean clear way of writing *Babe* Robert Creamer,1992-04-15 Babe Ruth moved beyond the baselines and outfield fences of the baseball stadiums that brought him riches and adulations to become a genuine American hero In this acclaimed biography Creamer reveals the man behind the legend The best biography ever written about an American sports figure Sports Illustrated *Babe Ruth* Len Canter,Waldman Publishing Corporation,1995-06 A biography of the baseball player who became famous as a home run hitter for the New York Yankees **Babe Ruth Saves Baseball!** Frank Murphy,2005-02-22 Batter up It s 1919 and baseball is in trouble All across the country people are throwing down their bats and giving up America s national pastime It s up to Babe Ruth to win back fans and save baseball Can he do it or will he strike out The Babe in Red Stockings Kerry Keene,Raymond Sinibaldi,David Hickey,1997 The definitive work on his early years The Babe in Red Stockings represents not only a detailed study of his remarkable on field achievements but also delves into his happy go lucky playful and occasionally temperamental nature Dozens of new pieces of information are added to further complete the portrait of one of America s most fascinating figures the one and only Babe Ruth **Heroes of America Illuastated lives** len Canter,1996 Babe Ruth became the idol of millions of people But the boy from the streets of Baltimore never lost the common touch All his life he worked hard played hard and never forgot the fans who loved him In a golden age Babe Ruth was the brightest star of all Breaking Babe Ruth Edmund F. Wehrle,2018-05-31 Rather than as a Falstaffian figure of limited intellect Edmund Wehrle reveals Babe Ruth as an ambitious independent operator one not afraid to challenge baseball s draconian labor system To the baseball establishment Ruth s immense popularity represented opportunity but his rebelliousness and potential to overturn the status quo presented a threat After a decades long campaign waged by baseball to contain and discredit him the Babe frustrated and struggling with injuries and illness grew more acquiescent but the image of Ruth that baseball perpetuated still informs how many people remember Babe Ruth to this day This new perspective approaching Ruth more seriously and placing his life in fuller context is long overdue *Out of the Mouth of Babe* ,2025-03-04 A collection of quotes compiled by the author of *The House that Ruth Built* Kelly Bennett in collaboration with Brent Stevens Babe Ruth s great grandson and Stu Dressler a long time friend of the Ruth Stevens family Baseball is the greatest game in the world and deserves the best you can give it Babe Ruth With forewords by Tom Stevens Babe Ruth s grandson and Marty Appel public relations director for the New York Yankees from 1973 to 1977 *Out of the Mouth of Babe* is a collection of over 85 quotes by the Great Bambino paired with photographs of the King of Crash during his incredible baseball career Curated by Kelly Bennett author of *The House that Ruth Built* and filled with facts about the game and the Colossus of Clout this is the perfect gift for baseball lovers and history buffs The Baseball Film in Postwar America Ron Briley,2014-01-10 This work focuses on the baseball movie genre in the years following World War II beginning

with the 1948 biopic *The Babe Ruth Story* and ending with the 1962 Mickey Mantle Roger Maris vehicle *Safe at Home* when the consensus was that conflict should be limited in American society by emphasizing economic growth and a strong stand against Communism This study of selected films indicates however that this strategy was not entirely effective while offering a certain amount of nostalgia these films could not provide shelter from the storm gathering in postwar America which challenged conventional ideas of race gender and class and broke in the 1960s
