There are guides to every aspect and every angle of parenthood from prenatal to post college yet none tells us what couples really and truly feel once confronted with the awesome power of Nature's Course The Three of Us does Seasoned travelers successful professionals Joanna Coles and Peter Godwin arrived in Manhattan ready to make it their oyster she to be the New York correspondent for a major British newspaper he to pursue his prize winning career as a writer and journalist Of course they were self absorbed why come to New York if not to explore every avenue of self interest The news that Joanna is pregnant however causes a massive shift in paradigm Suddenly they are launched unsteadily but irrevocably toward an altogether new New World Like a series of mental ultrasounds The Three of Us consists of alternating diary entries in which day by day and month by month Peter and Joanna navigate the uncharted waters of impending parenthood There is much to discuss the pros and cons of raising a child in a neighborhood frequented by transvestite prostitutes for example yet their reactions are not always on the same page male and female panic about the Joyous Event as we learn can differ sharply But every parent to be every parent that is will recognize and rejoice in the wonderful terrible and sometimes hilarious anxieties that attend the building of a nest The Three of Us is a candid refreshing and reaffirming memoir about coming to terms with a new life **Forest and Stream**, 1889 **Forthcoming Books** Rose Arny, 1999 Stock-keeper, and Fanciers Chronicle, 1905-04 **The Country Gentleman**, 1907 **American Kennel Club Stud Book**, 1929 The Horn Book Guide to Children's and Young Adult Books, 1995 **Material Witness** Ted Leigh, 2010-02-05 The publication of Porter's letters marks an occasion for a renewed celebration of his painting and an appreciation of his quirky indeed ornery personality Porter was a feisty correspondent who fearlessly entered the intellectual discourse of his time From the introduction by David Lehman In this lifetime of letters Fairfield Porter reveals the complexity and passion of a protagonist in a novel by Dostoevsky or Henry James Jane Freilicher Fairfield Porter 1907-75 has been called by poet John Ashbery perhaps the major American artist of the century He was also known as a gifted art critic Beyond shedding light on his personal views this collection of Fairfield Porter's letters demonstrates his profound contribution to American art and literature and displays his acumen as a political critic The letters tell the story of a reserved artist and intellectual torn between the tensions and

pressures he felt among politics family life and painting a man who forged a painting style outside the politically correct artistic perceptions of both left and right The collection includes letters from Porter s early travels to the Soviet Union including a description of an interview with Trotsky as well as some of his later letters to close friends including Frank O Hara Kenneth Koch Rod Padgett Larry Rivers and James Schuyler among others While the letters reveal many sides of the brilliant and independent minded Porter they also provide a cultural context for the time period and the circle of artists and poets with whom Porter associated The letters not only tell a story of the artist himself but are also valuable documents of the political and artistic upheavals of the 1930s 40s and 50s This rich collection is introduced by poet and critic David Lehman and includes notes by Justin Spring author of Porter s biography Children's Literature in the Elementary School Charlotte S. Huck,1997
