Baby Of Her Own:

A Baby of Her Own/a Husband of Her Own Brenda Novak,2020-03-09 A Baby Of Her Own What Delaney wants is a baby of her own At thirty she longs to break away from the constraints of her life Longs to reach out for her heart s desire She d prefer marriage as well but there s no man in Dundee Idaho she s interested in marrying Then one winter night she meets a handsome stranger named Conner a man who might be able to provide her with the solution she needs and the baby she wants Afterward she thinks she must have been out of her mind But it s too late Because she s pregnant And because the stranger isn t a stranger anymore Conner Armstrong is now living on a ranch just outside Dundee A Husband Of Her Own Rebecca Wells desperately wants to overcome her reputation She s finally trying to put an end to her twenty four year rivalry with the perfect Josh Hill a rivalry that began when she was a kid and the Hills moved in across the street Great looking popular a successful horse rancher Josh is Dundee s golden boy and the son her father always wanted But even when her father insists they call a truce it s hard for Rebecca to drop her resentment of Josh She refuses to acknowledge that she feels more for him than she s ever let on The man she loves to hate is also the man she d hate to love A Baby of Her Own Brenda Novak,2002 A Baby Of Her Own by Brenda Novak released on Aug 25 2002 is available now for purchase **The Pall Mall Magazine** ,1896 **Zoo** Emma L. E. Rees,2010 A penguin sits calmly in a classroom a past it actor confronts a spectre and air raid sirens ring out over the Mersey Elsewhere a lonely child prays to a dead pop star a social misfit learns something important a misanthrope is reformed by an unlikely companion and a boy imagines beauty where others see only ugliness This is Zoo where the quotidian and the sublime are juxtaposed and where we can imagine ourselves momentarily at least living the lives of others As spectators we progress from one cage to another as readers of the anthology we go from one story to the next visiting some more than once and finding meanings and associations which are ultimately unique The Cheshire Prize for Literature was inaugurated in 2003 as the High Sheriff s Cheshire Prize for Literature It is funded by Bank of America and administered by the University of Chester The 2009 competition was for Short Stories and this collection contains 23 of the short listed entries including those of the eventual winners *Holy Orders* Marie Corelli,1908 A novel in which the hero Richard Everton a clergyman in a Cotswold country parish campaigns against the pernicious influence of the local brewery and for temperance and reform in the church Children ,1958 **A Baby of Her Own** Kate Hardy,2002 **The Sunday Magazine** ,1889 **School and Home Education** ,1908 **Twelve Tales** Grant Allen,1900 **Holding and Psychoanalysis** Joyce Anne Slochower,Joyce A. Slochower,2013-04-15 In Holding and Psychoanalysis A Relational Perspective Joyce Slochower brings a contemporary relational framework to bear on Winnicott s notion of the analytic holding environment She presents a fresh thought provoking and clinically useful integration of Winnicott s seminal insights with contemporary relational and feminist psychoanalytic contributions Seeking to broaden the concept of holding beyond work with severely regressed patients she addresses holding in a variety of clinical contexts and focuses especially on

holding processes in relation to issues of dependence self involvement and hate She also considers clinical work with patients on the edge patients who seem deperately to need a holding experience that remains paradoxically elusive Slochower begins her study by questioning the therapeutic limitations of an interactive style There are times she proposes when certain patients simply cannot tolerate evidence of the analyst s separate subjective presence and instead need a holding experience Though this holding function is essential to work with difficult patients it enters into the treatment of all patients whether as figure or ground Slochower s relational understanding of holding leads her to consider the impact of holding on patient and analyst alike Throughout she emphasizes the analyst s and the patient s co construction during moments of holding of an essential illusion of analytic attunement this illusion serves to protect the patient from potentially disruptive aspects of the analyst s subjective presence Slochower s case vignettes helpfully illuminate the intersubjective aspects of the holding process including the clinical picture when a holding frame fails She elaborates her thesis by considering the therapeutic function of holding in mourning And she concludes her study with a cogent examination of the theoretical and clinical limitations of working with a holding process A welcome reprise on an essential Winnicottian theme Holding and Psychoanalysis broadens and deepens our understanding of the therapeutic role of the analyst s holding function
