

3.1 A BRIEF HISTORY OF EARTHFORCE AND BABYLON 5

In this unit we will be looking at Security duties in more detail, finding out who we are and what we do. The role of Security on Babylon 5 will be discussed, and some case histories will be given. We will also take a look at the Customs Area and the Security aspects involved there.

It is helpful to understand the history behind the station and its ties with EarthForce in order to provide a background to these duties and explain in some way why the station works as it does.

It will help to think of Babylon 5 as a small colony or planet, at best a small city, with all the relevant problems that entails.

EarthForce

Before declaring independence, Babylon 5 came under the jurisdiction of the United Earth Military Force (EarthForce). As with other Earth colonies, such as those on Mars and Proxima 3, Babylon 5 was a governorship headed by a military official (Sinclair and then Sheridan).
