Shattered Prayers Kenneth Ching,2016-07-20

Kenneth Ching lived a comfortable life with a great job a big house and an easy faith He went to church and believed in God s goodness But when his son is born with a serious and rare genetic condition his life is thrown into terrifying chaos In this honest and raw memoir Ching brings to life his experience of letting go while learning to truly trust the Savior he claims to know Ching doesn t shy away from asking the hard questions Why does God answer some prayers but not others How does prayer work Is God even listening Shattered Prayers is ultimately a story about recognizing God s presence and faithfulness in the midst of brokenness And how one man thought God ruined his life by giving his son a terrible disease but eventually realized God was actually fighting to save his faith and his son s life
