Back In My Dads Arms Experiencing The Love And A:

Back In My Dad's Arms Lyn Hansen, 2005-01-21 There is something very special about a dad's arms. A dad's arms can make you feel secure. A dad's arms are capable of giving assurance and certainty of your worth. A dad's arms are able to give you solid reasons to believe that nothing and no one can hurt you. *Back In My Dad's Arms* is a heart-tugging personal journal for anyone who wants to experience the freedom of living as a whole person. From a shocking childhood trauma to unparalleled success as an executive to the emptiness of expecting wholeness from service to God, you are invited on the journey with Lyn Hansen into the love and acceptance that you thought you had lost forever in your Dad's Arms. [An Anti-Zionist Path to Embodied Jewish Healing](#) Wendy Elisheva Somerson, PhD, 2025-05-13 Unapologetically anti-Zionist and firmly rooted in Jewish spiritual values, a liberatory model for Jewish healing. Body-based tools and faith-based practices for processing trauma, reclaiming our agency, and building a world where never again means never again for anyone. An accessible pathway for healing from historical trauma, releasing it from our bodies, and preventing it from being passed on to future generations. This may well be the missing piece for breaking the pattern of violence undergirding Israeli apartheid and occupation. Naomi Klein, author of *Doppelgänger: A Trip Into the Mirror World*. Dr. Wendy Elisheva Somerson, PhD, shows how Jewish history lives in Jewish bodies and how antisemitism and oppression disrupt our access to safety, dignity, and belonging. This unmetabolized trauma can lock us into a survival state that brings historical grief into the present moment and keeps us from exploring critical questions that help us tend our legacies and live into a better world. How does ancestral grief live on in our bodies and keep us from feeling safe, and how is that fear enacted on other peoples? How do we reconcile a history of persecution with the state power of Israel today? Each chapter invites us back into the body, exploring healing as a spiritual and political reclamation. With skills-based wisdom for trauma safety, spiritually grounded intentions, and resourcing ourselves for difficult conversations, this book also helps readers understand trauma and healing through our bodies. Jewish longing, belonging, legacies of assimilation, healing shame of not being Jewish enough, of being too much, and of being complicit. Embodied experiences of Jewish resilience, ritual, and grief. Rooted in justice, care, and spiritual depth, this book asks us to live into a Judaism beyond Zionism. It invites us to heal toward liberation, to reclaim Jewish faith, and release Jewish identity from the colonial project of Israel in power, skill, and community. **Mixed Journeys** Thure Magnuson, Jr., 2020-02-21 *Mixed Journeys* is a collection of poetry from writer Thure Magnuson Jr.'s perspective, starting from the young age of eleven to the present. Barker challenges young men, both single and married, to stand up and be counted. He believes in those who have become confused in their identity and points them towards Christ as the one who will answer their deepest questions and bring fulfillment to the profound longings of the human heart. His book demonstrates that

through the quality of their lives and their courageous witness young men can have a major impact for good on the Church and its mission in the contemporary world *The Longest Mile...* Tom Douglas,2010-03 The Longest Mile is about finding Hope when we see no Hope Having lived through the many years of abuse and mental illness can seem like too huge of a demon to confront and yet with God s help demons can be conquered We can come from the depths of pain and despair to climb to new heights and finding God s ultimate plan for each of our lives FATHER TO THE FATHERLESS Myama Myowne,2010-04-19 Thousands of children and teenagers in the United States are growing up in homes where one or both biological parents are missing in action The results of absent parents are far reaching and truly devastating for the future of our homes and our families Myama Myowne knows this fact all too well She s lived it She s experienced the impact And she has a testimony that she wants to share The truth of not having her father around when she needed him was painful But God had other plans for her future It included giving her the opportunity to see Him as the Father she never had and also gave her the ability to see the substitute father figures that He brought into her life at critical times in her development as the fathers she needed as well The book you hold in your hands tells the story of what happens when God intervenes and changes the future It not only tells Myama s story It also shows the important role we all play in changing the present realities of many youth that need the love of one or both parents that may be missing from their lives This much needed book is meant to make a difference in the climate of our families neighborhoods and cities Thrilling Experience of the Welsh Evangelist, R.G.
