Back to Birmingham Jimmie L. Franklin, 1989-01-01 **Back To Birmingham** Jimmie Lewis Franklin, 2019-03-19 The story of Richard Arrington Jr the first African American mayor of Birmingham Alabama During the 1960s Birmingham Alabama was the central battleground in the struggle for human rights in the American South As one of the most segregated cities in the United States the city of Birmingham became infamous for its suppression of civil rights and for official and vigilante violence against its African American citizens most notoriously the use of explosives in the Sixteenth Street Baptist Church bombing and the bombing of the home of Reverend Fred Shuttlesworth In October of 1979 Birmingham elected its first Black mayor Richard Arrington Jr He was born in the rural town of Livingston Alabama His family moved to Birmingham when he was a child A man of quiet demeanor he was nevertheless destined to bring to fruition many of the fundamental changes that the Civil Rights Movement had demanded This is his story Not a conventional political or Civil Rights history Back to Birmingham is the story of a man who demonstrated faith in his region and people The work illuminates Arrington's sense of place a quality that enables a person to claim sentimentally a portion of the natural and human environment Franklin passionately underscores the importance of the attachment of Southern Blacks to their land and place Back to Birmingham will appeal to both the general reader and the serious student of American society The book endeavors to bridge the gap between popular and scholarly history It is guided by the assumption that Americans of whatever description can find satisfaction in comprehending social change and that they are buoyed by the individual triumph of those who beat the odds
