Reference Guide to Christian Missionary Societies in China: From the Sixteenth to the Twentieth Century R. G. Tiedemann, 2016-07-01 This comprehensive guide will facilitate scholarly research concerning the history of Christianity in China as well as the wider Sino Western cultural encounter It will assist scholars in their search for material on the anthropological educational medical scientific social political and religious dimensions of the missionary presence in China prior to 1950 The guide contains nearly five hundred entries identifying both Roman Catholic and Protestant missionary sending agencies and related religious congregations Each entry includes the organization s name in English followed by its Chinese name country of origin and denominational affiliation Special attention has been paid to identifying the many small lesser known groups that arrived in China during the early decades of the twentieth century In addition a special category of the as yet little studied indigenous communities of Chinese women has also been included Multiple indexes enhance the guide s accessibility

Religious Pluralism in the Diaspora Pratap Kumar, 2006-09-01 This book brings together the varied experiences of different cultural groups in their Diaspora context and provides insight into the various issues they have to deal with The content of the book is divided into the following broad categories Chinese Experience Japanese Brazilian and Brazilian Experience South Asian Experience Impact of 9 11 on Muslim Religious Pluralism and Issues of Religious Pluralism in the Diaspora While keeping theory to a minimum the book focuses on case studies in the hope this will facilitate scholars to engage in further theoretical work on the phenomenon of religious pluralism in the Diaspora and in answering important questions on how religious pluralism can be conceptualised and which issues need to be addressed in doing so The material is also useful for comparative studies in the academic study of religion

Lightning from the East

Emily Dunn,2015-09-01 The Church of Almighty God also known as Eastern Lightning teaches that Jesus Christ has returned to earth as a Chinese woman to judge humankind The Chinese government has banned it and similar groups and targeted them in its campaign against cults such as Falun Gong Based on the Church s own texts and exogenous reports Emily Dunn offers the first comprehensive account of what the Church of Almighty God teaches how Chinese Christians and the government have responded to new religious movements related to Protestantism and how it all fits with global Christianity and the history of Chinese religion

Theology in the Context of World Christianity Timothy C. Tennent,2009-05-26 Thinking more globally about the formation of theology enriches our understanding of what it means to be a Christian It s no secret that the center of Christianity has shifted from the West to the global South and East While the truths of the Christian faith are universal different contexts and cultures illuminate new questions understandings and expressions What does this mean for theology as Western theologians understand it Timothy Tennent argues that the Christian faith is culturally and theologically translatable Theology in the Context of World Christianity is written to expand our ecclesiastical cartography by highlighting within each of the major themes of systematic theology studies that are engaging the global church such as Anthropology with studies drawn from the different views of human identity between Eastern and Western cultures Christology with a focus on the emphases that African Christians place on the characteristics of Christ Pneumatology by looking at the role of the Holy Spirit in Latin American Pentecostalism Eschatology by focusing on how this branch of theology shapes world missions and evangelism Each of the ten chapters examines traditional theological categories in conversation with theologians from across the globe making this volume valuable for students pastors missionaries and theologians alike Theological reflection is active and exciting in the majority world church and Tennent invites you to your own reflection and celebration of Christ s global church These are perspectives that should be heard considered and brought into conversation with Western theologians Global theology can make us aware of our own blind spots and biases and has much to offer toward the revitalization of Western Christianity
