Back To Square One:

Back to Square One Jackie Adams,2022-11-15 I know what you re thinking How could I stay in a dysfunctional abusive relationship for twelve years with a man who despises me We now have an eleven year old son together Lewis For the first time my son has shoved me like all the times he seen his father Ray do It only takes one time for my own son to abuse me when we end up leaving Ray to go to my parent s house They happily take us in and soon I have a seasonal job at Farmer s Market Lewis and I have made new friends We re happier than we ve ever been When I get the divorce papers and we go to court about visitation with Lewis I m neither surprised nor saddened Lewis my son said he doesn t mind going to see his dad for visitation The only problem is I have to worry about Ray s new act of playing a good father figure role will wear off Will he start abusing Lewis since I m not home to take his abuse personally In time Lewis and I situate to a healthier functional routine Lewis and I both have settled We re still happy and Ray has been on good terms with Lewis I feel so great that I dip my toes in the dating scene So when this handsome man named Luke asks me to go out to eat with him I agree to it I soon regret it though It has nothing to do with him and everything to do with me I m not ready Luke takes this to heart and becomes the rejected madman Soon fires are starting all around us Businesses and places my friends and I go to catch flames I can t believe it when Luke has the audacity to show up at my work and threaten me about the fires Could he be the missing culprit behind them Will this dramatic chaos ever end so that my son and I can move on with our lives and find ourselves better situated to a healthier dynamic Did I make the biggest mistake thinking I could date without havoc
