Back Toward The Future Hints For Interpreting Biblical Prophecy:

Back Toward the Future Walter C. Kaiser Jr.,2003-12-31 Biblical prophecy comprises one of the most rewarding topics of Bible study Difficulty of subject matter and unfamiliarity with the literary forms however deter many students Back Toward the Future removes these obstacles and invites exploration of this exciting subject The author a respected expert in the field presents an introductory guide to the issues and methods of interpreting prophetic literature The principles he formulates coupled with his mature insights will help students avoid many exegetical pitfalls Part I helps the reader to discern conditional and unconditional prophecies comprehend apocalyptic symbols and understand future events in expressions of the past Part 2 provides specific steps for interpreting prophetic passages And Part 3 discourages Bible students from finding double meanings in prophetic statements and encourages them to embrace the author s single truth intention A Scripture index concludes Back Toward the Future

Back Toward the Future Walter C. Kaiser,1989 Back Toward the Future Walter Christian Kaiser (Jr.),1989 *The Old Testament Documents* Walter C. Kaiser, Jr.,2001-08-17 Are They Reliable and Relevant In this thought provoking book Walter C Kaiser Jr makes the case that the Old Testament documents are both historically reliable and personally relevant Also includes a helpful glossary of terms Answers to Common Questions about the End Times Timothy J. Demy,Thomas Ice, Introducing a new series of quick reference guides that answer the most asked questions about the Christian faith

How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton,2022-05-24 The Old Testament prophetic books play a key role in revealing God s plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s people enjoy the scenery of this part of God s word

The Messiah in the Old Testament Walter C. Kaiser,1995 The Old Testament both tells the story of Israel and points to the coming Messiah Kaiser distinguishes between Old Testament passages that describe national Israel s glorious future and those that point to Christ and his kingdom Kaiser s chronological approach traces Israel s developing concept of Messiah through different time periods

The Lord's Anointed Philip E. Satterthwaite,Richard S. Hess,Gordon Wenham,2012-08-08 At the heart of the earliest Christian self understanding explicit or implicit in much Christian use of the Old Testament and crucial for Christian theology and

interpretation the concept of messiah in the Old Testament has however been eclipsed by the pursuit of other goals in the Old Testament studies Few recent sustained treatments have appeared from any school of thought The Lord s Anointed aims to redress the balance It also recognizes that the study of this topic must always be contemporary Old Testament studies have changed dramatically in recent years giving rise to new challenges as well as new opportunities for Christian reading of it

Until He Comes Simon Thielemann, 2025-10-16 Establish your hearts for the coming of the Lord is at hand James 5 8 Contrary to popular belief the primary purpose of studying the end times is not to gain knowledge of what will come but to gain knowledge of Jesus We study biblical prophecy not to predict the future but to understand God s heart and His purposes and to be transformed into the image of Christ To love the Lord is to love His return At this hour Jesus is drawing the bride close to His heart emphasizing the hope of His coming and equipping her for glory and crisis In short God wants a people prepared This comprehensive book will help you anchor your faith in the eternal truth of God s Word teaching you how to apply it to your life It also includes extensive study material and practical invitations to deepen your relationship with God Gain biblical insight about how to live in these last days Pursue greater intimacy with the Father Son and the Holy Spirit Ignite your passion for the Word of God Refine your theology of covenants grace kingdom and prophetic fulfillment Align with God s plans and purposes for Israel and the church Develop a deep longing for Jesus return and become one of His end time messengers Prepare for the coming King *Andrews University Seminary Studies* Andrews University. Seventh-Day Adventist Theological Seminary, 1996

Our Creator Redeemer Hans K. LaRondelle, 2005 Much is at stake in evangelical Christian theology when considering the covenants Old Testament and New Testament Theologically how do we align the concerns of a popular conservative Christian culture that may rightly worry about the place of the Ten Commandments in the public square with a message that often seems to stress that those same commandments have all been nailed to the cross Is it all really so simple as Old Testament law versus New Testament grace Between whom are these two covenants made How are the two covenants the same And ultimately are they really different These are not new questions in reformed theology and among evangelicals But their answers are best found not in the traditions of theological interpretation but in a careful Scriptural analysis of salvation history itself Thus in this important new contribution to covenant theology Hans LaRondelle chronologically traces through salvation history the footsteps of the Creator Redeemer in progressively revealing His covenant promises and His judgments From a redemption historical perspective based on careful exegesis the author outlines the unity and continuity of God s covenants with His chosen people

A Case for Premillennialism Donald K. Campbell, Jeffrey L. Townsend, 1992 Premillennialism is not a fundamental doctrine of evangelical faith For example the Bible certainly does not set it forth in the same unequivocal terms or give it the same central position that the deity of Christ the vicarious atonement or the second coming have Yet to many evangelicals premillennialism is not merely what the Bible teaches on some minor point It has a special significance of its own among the loci of Christian faith This view has increased

immensely during the last century The cause of this relatively sudden shift toward premillennialism has never been adequately explained Several factors certainly influenced it such as the vastly increased depth of Bible study the hermeneutical shift in churchly interpretation with its emphasis on the natural meaning of a passage in the context of the history and culture in which it was first given and modern studies of the early church which seem to show it was not really amillennial but premillennial This book seeks to set forth in comprehensive fashion the biblical basis for premillennialism and its significance for evangelical faith
