# Backfire How The Ku Klux Klan Helped The Civil Rights Movement

**Gladys L. Knight**

## **Backfire How The Ku Klux Klan Helped The Civil Rights Movement:**

**Backfire** David Chalmers,2005-08-08 While focused on the Klan s activities in the twentieth century Backfire also looks beyond the abuses of the past Through an examination of groups like the neo Nazis Aryan Nations Christian Identity and the Patriot Movement Chalmers explores the new face of the white supremacist Right Jacket [The Ku Klux Klan in American literature and films: From Thomas Dixon's "The Clansman" to contemporary KKK novels and movies](#) Alexandra Mohr,2006-03-15 Thesis M A from the year 2005 in the subject American Studies Literature grade 1 7 Humboldt University of Berlin language English abstract The Ku Klux Klan and its racist doctrine have a long history In his work Backfire How the Ku Klux Klan Helped the Civil Rights Movement David Chalmers calls the Klan as America s only enduring political terrorist movement The following paper will mainly focus on the presentation of the Klan in Thomas Dixon s Southern Reconstruction novel The Clansman and D W Griffith s movie The Birth of a Nation as well as in contemporary American literature and films In that context the Klan s prejudices against African Americans will be discussed in connection with Karen Hesse s children book one also has to take prejudices against Jews into account The analysis of Ku Klux Klan literature and films will cover three important Klan eras beginning in 1887 until the 1960s Different types of texts and films will be set in context with different cultural aspects of that time All together one cannot directly speak of an influence of Dixon s work on later Klan literature and films But the presence of some similar motives in all novels and films which will be taken into account shows an important aspect that will be the main point of this paper Regardless of a pro Klan or a political neutral work of fiction one can recognise either a conscious or an unconscious hero worship of the Klan or at least a representation of the Klan s immense political and social power One has to assume that different books and films indeed help to create a Klan myth Throughout the paper different motives will be compared to strengthen this thesis *The Ku Klux Klan in American Literature and Films* Alexandra Mohr,2007-08 Thesis M A from the year 2005 in the subject American Studies Literature grade 1 7 Humboldt University of Berlin 39 entries in the bibliography language English abstract The Ku Klux Klan and its racist doctrine have a long history In his work Backfire How the Ku Klux Klan Helped the Civil Rights Movement David Chalmers calls the Klan as America s only enduring political terrorist movement The following paper will mainly focus on the presentation of the Klan in Thomas Dixon s Southern Reconstruction novel The Clansman and D W Griffith s movie The Birth of a Nation as well as in contemporary American literature and films In that context the Klan s prejudices against African Americans will be discussed in connection with Karen Hesse s children book one also has to take prejudices against Jews into account The analysis of Ku Klux Klan literature and films will cover three important Klan eras beginning in 1887 until the 1960s Different types of texts and films will be set in context with different cultural aspects of that time All together one cannot directly speak of an influence of Dixon s work on later Klan literature and films But the presence of some similar motives in all novels and films which will be taken into account shows an important aspect that will be the main point of this

paper Regardless of a pro Klan or a political neutral work of fiction one can recognise either a conscious or an unconscious hero worship of the Klan or at least a representation of the Klan s immense political and social power One has to assume that different books and films indeed help to create a Klan myth Throughout the paper different motives will be compared to strengthen this thesis

**Encyclopedia of U.S. Political History** Andrew Whitmore Robertson,2010 Annotation st1 behavior url ieouui Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

**VOLUME 1 Colonial Beginnings through Revolution 1500 1783** Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

**VOLUME 2 The Early Republic 1784 1840** Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

**The Ku Klux Klan** Michael Newton,2007 This monumental reference work is a comprehensive guide to the Ku Klux Klan It begins with a brief history of the KKK from antebellum predecessors to the present day Subsequent chapters cover beliefs including white supremacy nativism religion moralism and education terms and abbreviations with a definitive glossary biographies of prominent historical Klansmen and profiles of KKK groups and front groups profiles of individuals and groups linked or friendly to the Klan an historical overview of the Klan in politics including friendly and adversarial politicians a discussion of activities in the

United States and abroad the use of violence with a roster of murder victims a compilation of arson and bombing incidents and sketches of riots and lynchings state and federal efforts to police or infiltrate the Klan watchdog groups and current and historic journalists who covered Klan activities Appendices provide a KKK timeline and reproductions of several key Klan documents **Spreading Hate** Daniel Byman,2022 Spreading Hate offers a history of the modern white power movement describing key moments in its evolution since the end of World War Two Daniel Byman focuses particular attention on how the threat has changed in recent decades examining how social media is changing the threat the weaknesses of the groups and how counterterrorism has shaped the movement as a whole Each chapter uses an example such as the Christchurch mosque shooter Brenton Tarrant or the British white hate band Skrewdriver as a way of introducing broader analytic themes

CQ Press Guide to Radical Politics in the United States Susan Burgess,Kate Leeman,2016-03-11 This unique guide will provide an overview of radical U S political movements on both the left and the right sides of the ideological spectrum with a focus on analyzing the origins and trajectory of the various movements and the impact that movement ideas and activities have had on mainstream American politics The work is organized thematically with each chapter focusing on a prominent arena of radical activism in the United States The chapters will trace the chronological development of these extreme leftist and rightist movements throughout U S history Each chapter will include a discussion of central individuals organizations and events as well as their impact on popular opinion political discourse and public policy For movements that have arisen multiple times throughout U S history nativism religious radical labor separatists the chapter will trace the history over time but the analysis will emphasize its most recent manifestations Sidebar features will be included in each chapter to provide additional contextual information to facilitate increased understanding of the topic Racial Reckoning Renee C. Romano,2014-10-14 Few whites who violently resisted the civil rights struggle were charged with crimes in the 1950s and 1960s But the tide of a long deferred justice began to change in 1994 when a Mississippi jury convicted Byron De La Beckwith for the 1963 murder of Medgar Evers Since then more than one hundred murder cases have been reopened resulting in more than a dozen trials But how much did these public trials contribute to a public reckoning with America s racist past Racial Reckoning investigates that question along with the political pressures and cultural forces that compelled the legal system to revisit these decades old crimes A timely and significant work Romano brilliantly demystifies the false binary of villainous white men like Beckwith or Edgar Ray Killen who represent vestiges of a violent racial past with a more enlightened color blind society Considering the current partisan and racial divide over the prosecution of police shootings of unarmed black men this book is a must read for historians legal analysts and journalists interested in understanding the larger meanings of civil rights or racially explosive trials in America Chanelle Rose American Historical Review Medgar Evers Michael Vinson Williams,2011-11-01 Civil rights activist Medgar Wiley Evers was well aware of the dangers he would face when he challenged the status quo in Mississippi in the 1950s and 60s a place and time known for the brutal murders of

those who challenged the status quo Nonetheless Evers consistently investigated the rapes murders beatings and lynchings of black Mississippians and reported them to a national audience all the while organizing economic boycotts sit ins and street protests in Jackson as the NAACP s first full time Mississippi field secretary He organized and participated in voting drives and nonviolent direct action protests joined lawsuits to overturn school segregation and devoted himself to a career that cost him his life This biography of a lesser knownbut seminal civil rights leader draws on personal interviews from Evers s widow his remaining siblings friends schoolmates and fellow activists to elucidate Evers as an individual leader husband brother and father His story is a testament to theimportant role that grassroots activism played in exacting social change From publisher description [Encyclopedia of African American History, 1896 to the Present: J-N](#) ,2009 Alphabetically arranged entries from J to N that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century [The Jim Crow Encyclopedia](#) Nikki Brown,Barry M. Stentiford,2008-09-30 Jim Crow refers to a set of laws in many states predominantly in the South after the end of Reconstruction in 1877 that severely restricted the rights and privileges of African Americans As a caste system of enormous social and economic magnitude the institutionalization of Jim Crow was the most significant element in African American life until the 1960s Civil Rights Movement led to its dismantling Racial segregation as well as responses to it and resistance against it dominated the African American consciousness and continued to oppress African Americans and other minorities while engendering some of the most important African American contributions to society This major encyclopedia is the first devoted to the Jim Crow era The era is encapsulated through more than 275 essay entries on such areas as law media business politics employment religion education people events culture the arts protest the military class housing sports and violence as well as through accompanying key primary documents excerpted as side bars This set will serve as an invaluable definitive resource for student research and general knowledge The authoritative entries are written by a host of historians with expertise in the Jim Crow era The quality content comes in an easy to access format Readers can quickly find topics of interest with alphabetical and topical lists of entries in the frontmatter along with cross references to related entries per entry Further reading is provided per entry Dynamic sidebars throughout give added insight into the topics A chronology selected bibliography and photos round out the coverage Sample entries include Advertising Affirmative Action Armed Forces Black Cabinet Blues Brooklyn Dodgers Bolling v Sharpe Confederate Flag Congress of Racial Equality CORE Detroit Race Riot 1943 Ralph Ellison Eyes on the Prize G I Bill Healthcare Homosexuality Intelligence Testing Japanese Internment Liberia Minstrelsy Nadir of the Negro Poll Taxes Rhythm and Blues Rural Segregation Sharecropping Sundown Towns Booker T Washington Works Project Administration World War II **Civil Rights Movement** Michael Ezra,2009-05-13 Presents a collection of essays about the history of the civil rights movement focusing on the efforts of clergy student activists black nationalists and such organizations as the NCAAP and Core to bring about racial equality **The Book**

**Review Digest** ,2006      **African American Review** ,2004 As the official publication of the Division on Black American Literature and Culture of the Modern Language Association of America African American review promotes an exchange among writers and scholars in the arts humanities and social sciences who hold diverse perspectives of African American literature and culture      **Thinking Like a Terrorist** Mike German,2007 As the fifth full year of America s global war on terrorism continues statistics concerning terrorist attacks show a disturbing trend from a twenty one year high in 2003 attacks tripled in 2004 and then doubled in 2005 And as the incidence of terrorist attacks increased so has the number of terrorists While the primary leaders of the Taliban al Qaeda and al Qaeda in Iraq remain at large a 2006 Department of Defense study reportedly identified thirty new al Qaeda affiliated terrorist groups that have been created since September 11 2001 We may not have metrics that measure our success in the war on terrorism but these realities certainly illuminate our failures In Thinking Like a Terrorist former FBI counterterrorism agent Mike German contends that the overarching problem is a fundamental failure to understand the terrorists namely what they want and how they intend to get it When our counterterrorism policies are driven by misunderstanding and misperception we shouldn t be surprised at the results Today s terrorists have a real plan a blueprint that has brought them victory in the past that they are executing to perfection moreover their plan is published and available to anyone who bothers to read it Once the terrorists plan is understood we can develop and implement more effective counterterrorism strategies A former undercover agent who infiltrated neo Nazi terrorist groups in the United States German explains the terrorist s point of view and discusses ways to counter the terrorism threat Based on his unusual experience in the field Thinking Like a Terrorist provides unique insights into why terrorism is such a persistent and difficult problem and why the U S approach to counterterrorism isn t working      **Icons of African American Protest** Gladys L. Knight,2009      **West's Encyclopedia of American Law** Jeffrey Lehman,Shirelle Phelps,2005 Provides current information on more than 5 000 legal topics Includes completely revised articles covering important issues biographies definitions of legal terms and more Covers such high profile topics as the Americans with Disabilities Act capital punishment domestic violence gay and lesbian rights and physician assisted suicide      **America, History and Life** ,2006 Article abstracts and citations of reviews and dissertations covering the United States and Canada  
American History ,2003      The Changing Politics of Immigration and Race Kimberly L. Ebert,2009
