

Backstory: Inside the Business of News, by Ken Auletta (Penguin, 2003) 296 pages, \$24.95

Reviewed by Joe Hayden

Ken Auletta is often billed as one of America's preeminent media critics, but time and again his fine work often persuades me that he is really more of a perceptive storyteller than an analyst. That was true of the gloriously detailed *Three Blind Mice*, and it is true of this compilation.

What was *The New York Times* like before Howell Raines became executive editor, and how did Raines change things? "The Howell Doctrine," Auletta's first and longest chapter, provides a nuanced account of the Alabaman's stormy reign, complete with sharp observations of various editors and reporters and of the complicated relationships between them. The chapter describes Raines' flamboyant personality, his unconventional habit of assigning "outsiders" to stories, his management mistakes and his heroic efforts and focus during the terrorist attacks on Sept. 11. But the "backstory" is what takes precedence here. Auletta offers newsroom scuttlebutt on who liked and who hated Raines and why.

The author's chapters on the *Los Angeles Times*, the *Chicago Tribune*, and on the rivalry between the *New York Post* and the *Daily News* are a little more sociological, examining each as examples of industry problems and opportunities. But again the emphasis is on personalities—Mark Willes, the "demolition man" at the *Los Angeles Times*; Charles Brumback, the force behind the Tribune Company's "synergy city;" Mortimer Zuckerman versus Rupert Murdoch in "a bar fight that defies capitalism and is aimed at one overriding goal: to be the last man standing" (139).

Regular readers of *The New Yorker* will recognize the chapters in this collection of essays, since all but one appeared in that august publication. And fans of Ken Auletta will enjoy re-reading these delightful tales and profiles. But if you are expecting some coherent organization or a reflective synthesis or even a useful introduction, you won't find it here. The rambling introduction mentions the importance of humility as a lesson journalists need to learn (no argument there), but that principle hardly suffices as a unifying theme for the book. Little else does either. The chronology of essays is oddly and sometimes confusingly organized, with new and old pieces arranged helter-skelter. Each chapter contains a postscript, but instead of a precise update, most simply represent a clumsy bridge to the next chapter. In an essay as old as "Fee Speech" (Sept. 12, 1994) or "*The New York Times's* Outward Bound Adventure" (June 28, 1993), that omission is not just disappointing but problematic, since it renders the book serviceable only as a historical anthology. Granted, an Auletta anthology is a valuable commodity, indeed, but these worthy stories deserve better.

Backstory Inside The Business Of News

Backstory Inside The Business Of News:

Backstory Ken Auletta, 2003 An insider's look at the world of journalism addresses the struggle between ideals and the business of news the moral ambiguity of the media personality phenomenon the impact of the Internet and other key topics

Business Week, 2009 **Newspaper Ethics in the New Century** Philip Meyer, 2006 As newspaper readership declines and journalistic resources are depleted new kinds of pressures on journalistic ethics are created But this 2005 replication of a 1982 study of newspaper ethics shows that editors and staff members are holding on to their values Editorial autonomy has improved publisher infringement on news coverage has declined and there is less influence from advertisers today As journalism slowly migrates to new electronic platforms this empirical study of current practices and values provides a benchmark against which future performance can be judged Strategy & Business, 2005 *Business World*, 2004

History News, 1984 Seen and Heard Nichola D. Gutgold, 2008 As a messenger of television news an anchorperson must hook the audience and make them pay attention In America there has been a strong tradition of male news anchors Edward R Murrow Walter Cronkite Dan Rather Peter Jennings These men perched at their electronic hearths recounted the details of America's most significant history to its citizens Today women are visible in every area of television news even in the hallowed anchor chair but their presence has been hard fought and continues to present unique challenges When Oprah Winfrey endorsed the presidential candidacy of Barack Obama it reinforced the tremendous power a broadcaster can wield Seen and Heard examines the lives careers and communication styles of twelve of the most compelling and recognizable women of television news including Christiane Amanpour Elizabeth Vargas Diane Sawyer Paula Zahn Judy Woodruff and Candy Crowley From Barbara Walters's vast career that spans more than half a century to Katie Couric's historic appointment as the sole anchor of the CBS Evening News this book explores the obstacles and opportunities for women in broadcasting **The Publishers Weekly**, 2003 **The New Yorker**, 2006 *Everyman News* Michele Weldon, 2008 Examines how newspapers have changed over the past few years becoming story papers Comparing 850 stories story approaches and unofficial sourcing in twenty American newspapers from 2001 and 2004 Weldon reveals a shift toward features over hard news along with an increase in anecdotal or humanistic approaches to all stories Provided by publisher

The Interplay of Influence Kathleen Hall Jamieson, Karlyn Kohrs Campbell, 2006 Is there such a thing as unfiltered information Not in today's age THE INTERPLAY OF INFLUENCE NEWS ADVERTISING POLITICS AND THE INTERNET gives you an understanding of how mass media operates in your world and how powerful it can be And you'll also discover the shaping role of the Internet in today's mass media Plus it's loaded with study tools and helpful reviews so you can get the grade you need in class too **Whom Do Journalists Work For?** Ken Auletta, 2005 **Accounting for Alcohol** Martin Quinn, João Oliveira, 2018-09-03 Consumption of alcohol is a globally ubiquitous often controversial activity and business organizations in this sector are of significant social and economic relevance This book draws on accounting records from the

sector to reveal fresh and unique insights into the historic development of the production of alcoholic beverages Offering a historic overview of the three major areas of the alcohol industry brewing distilling and wine this book reveals the commonalities and differences which are present in the industry while also highlighting its social impact The editors bring together contributions from around the world including Mexico France Japan and Ireland to demonstrate how accounting has developed over time Offering diverse geographical and historical perspectives it explores multiple aspects of accounting within the industry including internal control earnings management competition and regulatory aspects The fascinating insights into breweries wineries spirit distillers vineyards and other related organizations provides a unique historic perspective of accounting systems techniques and practices Drawing on an international range of examples and rich archival material this valuable research collection will be of great interest to researchers and advanced students of accounting and business history

Who's who in Finance and Business ,2004 Democratic Communications James F. Hamilton,2008-02-07 While it has always been hard to do establishing a clear difference between mainstream media and alternative media has grown even more difficult within the past twenty years With the emergence of such efforts as open publishing web logging and video logging video posting websites citizen journalism creative commons initiatives and image focused anti corporate activism it has become increasingly difficult to navigate within this emerging media landscape The traditional lines between mainstream and alternative and between producers and consumers have been blurred This growing inability to adequately map this landscape demands that these lines be reconsidered New ways must be formed for probing implications of these new media outlets for democratization and global justice movements This book reconstitutes the cultural and historical roots of this protean media landscape and assesses its relevance to democratic communications Using a comprehensively argued cultural and historical analysis the book rethinks long standing assumptions about alternative media and democratic communications By providing greater understanding of historical resources limitations and possibilities this book makes a key contribution not only to scholarship in this area but also to this pressing social political and cultural issue *Across the Board* ,2005 *American Book Publishing Record* ,2005 *Hastings Communications and Entertainment Law Journal (Comm/Ent)* .,2005 *Details* ,2004 Creativity ,2005

Backstory Inside The Business Of News Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Backstory Inside The Business Of News PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Backstory Inside The Business Of News PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Backstory Inside The Business Of News free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Backstory Inside The Business Of News Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Backstory Inside The Business Of News is one of the best book in our library for free trial. We provide copy of Backstory Inside The Business Of News in digital format, so the resources that you find are reliable.
