The Hit Charade Tyler Gray,2008-10-29 Journalist Tyler Gray s The Hit Charade is the true story of boy band manager Lou Pearlman s epic rise and fall Without Lou Pearlman there would have been no Backstreet Boys no NSYNC and possibly no Justin Timberlake In the late 1990s Pearlman s boy bands ushered out guitar and angst driven grunge music and began to dominate the television and radio airwaves At the core of this squeaky clean pop revolution was a sinister international fraud conceived by Pearlman a huckster who first honed his crooked business skills as a teenage math nerd and blimp enthusiast in Flushing Queens From the mid 1980s through 2007 he cheated hundreds of investors out of nearly 500 million When they finally caught on to him and demanded their money the Sixth Backstreet Boy had already fled to Germany and then to Indonesia where he was eventually nabbed by authorities and charged with a historic federal fraud In The Hit Charade Tyler Gray the only journalist to speak with Pearlman while he was in jail weaves together the fascinating behind the scenes story of the greedy desperation of this boy band mogul and monumental scam artist Gray unravels Pearlman s twenty year long Ponzi scheme and explores persistent rumors about alleged inappropriate behavior by Pearlman toward members of the boy bands and other young men Along the way former friends family members Pearlman business associates and band members themselves reveal detailed accounts of everything from the heyday of their stardom to Pearlman s more troubled times Lou Pearlman s schemes were so outlandish they can t possibly have been real But Tyler Gray exposes him as one of the most sinister scam artists in history Joe Levy

Aaron Carter: An Incomplete Story of an Incomplete Life Andy Symonds,Aaron Carter,2022-11-15 Aaron Carter was working on a book about his life before his death He never had a chance to finish it This is what was completed All Aaron Carter knew was fame He released his first album at the age of nine and was a 3x platinum artist selling out stadiums before reaching his teenage years Close friend and mentor Michael Jackson confided in him that he believed Aaron was the King of Pop s heir apparent

His brother was in the biggest boy band in the world Aaron Carter's destiny was of stardom and unfortunately tragedy with his life ending on Nov 5 2022 Aaron spent three years working off and on with writer Andy Symonds My Father's Son The Man in the Arena Reality Check on this book In it Aaron tells about the night he spent at Michael Jackson's Neverland Ranch awakening in the middle of the night to find Michael crouched on the end of his bed He talks about his relationship with his family how his parents stole his money and what it was like growing up in the shadow of Nick and the Backstreet Boys He details performing with Michael Jackson at Madison Square Garden on Sept 10 2001 and being on his way to the airport to board Michael's private jet when he watched the first plane hit the World Trade Center Aaron is honest funny irreverent and self aware with amazing recall about the stories that shaped a childhood star into a troubled but talented adult This book is not completed but now it never will be In its final version as published notes are left in the manuscript by Aaron's writer and publisher so the reader can see the focus and direction where the book were going Aaron was an open book during the process it's a tragic irony that his autobiography will never include all his stories thoughts hopes and dreams as he intended
