Bad Girl at the Altar Rail Sharon L. Charde, 2005      **I Am Not a Juvenile Delinquent** Sharon Charde, 2020-06-16 The metoo movement particularly the horrific Larry Nasser abuse shows with frightening clarity the vulnerability of young women to male predators all the Touchtone girls I encountered suffered similar or worse fates The book is a pilgrimage a quest story divided into five sections Part I explores the authors first year at the facility the difficulty and eventual success of establishing my group in such a chaotic and contradictory culture It recreates their writing sessions and features the vivid dramatic personalities of the girls who participated as well as the steep learning curve on which she found herself daily Part II moves swiftly through the trials and victories between the first and last years and offers brief profiles of three of the residents who held special resonance to the author During this time she published an award winning anthology of poems by the girls a NYC filmmaker created a documentary film many readings and public performances took place and received several awards for the program Part III tells of the joint venture with The Hotchkiss School revealing the differences yet common ground between the two groups of girls      When Last on the Mountain Vicky Lettmann, Carol Roan, 2011-01-04 Sometimes humorous sometimes heart wrenching this gathering of new work by writers over fifty is always honest

Jones, 2008-05 Jones writes of severed relationships sexual violation and the devastating effects of spiritual abuse sharing a wealth of insights understanding and learning      *Rittenhouse Writers* James Rahn, 2016-04-14 James Rahn has led the Rittenhouse Writers Group since he founded it in 1988 making it one of America s longest running independent fiction workshops Hundreds of writers and would be writers have sought out the group for its remarkable level of instruction and

collaboration Rittenhouse Writers is Rahn's memoir of the workshop and how his own evolution as both a teacher and a writer and as a son, husband, and somewhat reluctant father has been intertwined with the establishment and growth of the RWG. In addition, Rahn includes ten short stories written by current and former members of the workshop. Rahn graduated from the University of Pennsylvania and earned an MFA at Columbia. He then began to imagine a future that included more than just writing; one that would also tap his aspiration to offer other writers support and motivation, tough but gentle. His self-described Iron Fist in the Velvet Glove approach, after all, as he says more than once, "Writing is hard." Over the years, James Rahn has witnessed every imaginable writing group scenario, from awkward flirtations to suicide scares, catty critiques, near fistfights, and of course, the satisfaction of watching someone's writing soar. With insight gained through years of observation and participation and a discerning eye for amusing detail, he takes us along for the journey. Rahn's struggle to perfect his role as instructor runs throughout the narrative, as does his effort to balance that role with the friendships he forms in the group and to keep up with his own writing while still giving the group the attention it needs to flourish. Through his eyes, we catch the spark of the workshop's spirit and get to meet various spirits who have invigorated Rittenhouse Writers Group. Rahn cuts back and forth, reflecting not only on the workshop but also on his days as a high school dropout in Atlantic City, dead-end jobs, and hopeless moves; the difficulty of his mother's decline and death; and his own unexpected plunge into parenthood when, at age 51, he and his wife took on the responsibility of raising her two young nieces. His memoir serves in a way as an introduction to the short stories that follow, and the stories as surprising and varied as the writers Rahn describes working with stand as a fitting coda to Rahn's tale and offer another window onto his life's work. James Rahn, *Jersey Boy and Philadelphia Treasure*, has written a moving and insightful book about what happens when you create something vibrant and necessary and stick around for the long haul, whether it's teaching, writing, friendships, or love. The answers aren't always simple, and Rahn explores them with the same gusto, honesty, wry humor, and generosity of spirit he brings to his fiction and his famous workshops. This book is a powerful reminder of the importance of community and mentorship in the making of literature.
