**Bad News Religion** Greg Albrecht,2004-07-10 From any non Christian point of view the gospel does not make sense Grace doesn't make sense Grace doesn't add up Why would Jesus come to be one of us to pay a debt He did not owe because we owed a debt we could not pay Why would He do that Free No strings What was in it for Him Since the church first began Christians have had trouble accepting God's grace We have substituted holiness discipleship order regulation and a long list of things to avoid in place of God's free gift The result is a Bad News Religion that drains the joy and life out of believers Bad News Religion is a convicting liberating exploration of how we in the name of religion have shifted the focus from the work of God to our ability to become worthy of salvation The result is bondage and defeat The key to success in the Christian life is not what we do but who we know Knowing God and knowing the fullness of His grace is a liberating experience Most of us don't realize how we have robbed ourselves of experiencing the richness of God's grace
