Passive Income Streams Marc Hayes, 2018-04-20 Passive Income Streams is a beginner's guide to leaving the nine to five rat race and building a financial future for yourself using multiple streams of passive income developed from the ground up and integrated together Because many of us who have started out in passive income only had very limited resources we will focus heavily on keeping the costs to a minimum while also discussing the options of outsourcing certain tasks to help maximize time and energy on what's truly important In this book we begin by helping you learn the basics of conducting invaluable market research prior to setting off on your path to a passive income This step ensures that valuable time is spent on viable niches and products From there we will discuss five of the most common passive income streams for beginners This includes Publishing eBooks on Amazon's Kindle Store Apple iBooks Barnes and Nobles Nook and Kobo Also discussed is going to print via CreateSpace which sells your print book Creating a blog that targets your niche and allows for monetization through affiliate programs advertising and promoting your other services and products Developing YouTube content for ad revenue and promoting your other platforms Creating online courses and building up the audience prior to release day And creating online stores through affiliate programs and or drop shipping to create an eCommerce setup without the need to ever ship your own products With hard work and perseverance the steps within this guide will set you off on the right path to finally lead yourself to success in the world of earning money while you're asleep on vacation or working on a completely different project Gone are the days of hustling to work in the morning cheers to wearing pajamas all day waking up whenever you like and having financial security

Passive Income Ideas Michael Cruz, 2020-04-03 The concept of making money when you sleep has drawn a crowd to the pursuit of passive income Theoretically you put in some time and money in the start then relax and let the money pour in when you focus on other things This appears like a dream become a reality but it's mostly only a dream In today's workforce relying on one income source is risky Job protection is rarely guaranteed and a little extra cash is useful always By using your primary income source to cover basic expenses you may use extra income streams to pay off debts reduce your economic burden or avoid going further into debt when you are able to pay for larger purchases up front rather than with a credit card or loan Conversely passive income is cash that continues to pay out following the initial work is done Traditionally income that were considered passive generally included money earned from investments in shares or profit acquired by a person who had invested in accommodations property but wasn't involved in the management or day to day functions of that property This
