Freelancing Foundations Josh Burnett, 2020-10-09

What would you give to never worry about losing your job? Our world is filled with uncertainty. Record-breaking numbers of people have filed for unemployment, and millions are struggling to make ends meet. Entire industries have been sidelined by unexpected government mandates, and relief programs don't begin to meet our society's needs. In this era of unpredictability, how can you ensure a stable income for you and your family? The solution is freelancing. Whether you're looking for part-time supplemental income, a total career makeover, or merely an ace in your sleeve in case all else fails, freelancing offers a solution. In this book, Josh will show you how to:

- Identify the Skills You Already Have
- Find a Profitable Freelance Niche
- Effectively Market Your Talents
- Build a Consistent Stream of Income
- Create a Peaceful Work-Life Balance
- Establish Yourself on Upwork

Freelancing Foundations will walk you through each step of how to become a freelancer on Upwork, from joining the platform to establishing best practices while you work from home. In these chapters, you'll discover:

- What software you need to get started as a freelancer
- The top five Upwork myths and the truth behind them
- How to build a great profile and optimize it so clients can find you
- Secrets to writing a cover letter that will consistently get you noticed, interviewed, and hired
- How to choose the right Upwork membership type
- Avoid common mistakes many freelancers make

This easy-to-read book is written in a conversational tone. It features interactive exercises after each chapter so you can apply the lessons you've learned immediately. Freelancing Foundations is structured to be used as a reference guide, and Josh includes screenshots of what you should and shouldn't do in various areas.

One of the most frequently misunderstood aspects of working as a freelancer on Upwork is how the Job Success Score (JSS) works. This is the most critical metric on Upwork, and not approaching it correctly can make the difference between a successful career and failing to launch. Josh commits an entire section to understanding the JSS, digging into:

- How the JSS is calculated
- Why you don't have one JSS; you actually have three
- How contracts are weighted differently as they factor into your JSS
- Avoiding common JSS pitfalls
- How to overcome JSS problems when they occur
- Establishing an excellent Job Success Score right away
- The benefits of a good JSS
- How to keep your JSS stable

After you've gotten started on Upwork, the trickiest parts can be finding the right jobs, picking good clients, and maintaining a steady work flow. A substantial portion of Freelancing Foundations is dedicated to:

- Optimizing your job feed to discover contracts that are perfectly suited to you
- Using advanced search filters to eliminate jobs you don't want
- Knowing the difference between what a freelancer sees and a client's view
- How each aspect of your profile affects the way clients search for you

Finally, the book concludes with a section on operating successfully as a freelancer. You'll learn how to:

- Identify soft skills you should prioritize
- Interact with even the most difficult clients
- Understand the culture of freelancing
- Maximize your rates and give yourself regular raises
- Set workdays, establish working hours, and create a vacation time policy

Josh began freelancing as a last resort, hoping to earn a bit of side cash. A quarter million dollars later, it's obvious this last-ditch effort paid off. In Freelancing Foundations, he shows you how to do the same.

How To Make Money On Upwork As A Freelance Janita McKercher, 2021-07-28. As the entire world becomes more and more connected with great internet access, the need for people to hire local staff is significantly shrinking. With this increased connectivity, remote team organization has never been easier. Likewise, companies realize that remote workers are more productive and less expensive. And Upwork is a marketplace that connects businesses with freelancers around the world for short or long-term jobs. If you have an interest in starting freelancing or working remotely, this book will help you do that. This book will be interesting for next people: Professionals who want to start working online from any country of the world and receive the same salary as if they worked in the USA; Students, office employees, young parents, and other people who don't have a lot of time and want to find a side part-time job; People who don't have any special skills for online work but want to learn something new. It is possible to start freelancing from data entry jobs. Freelancers who have already worked on Upwork and want to learn other experience in order to improve the profile, job applications, increase earnings.

Start a Freelance Business Today Jerry Banfield, 2016-07-03. You can learn to work successfully as a freelancer online using WordPress, YouTube, Upwork, and Fiverr the way I do by reading this book. Freelancing online is the best thing that has ever happened to my career because I now have the freedom to work anywhere and anytime using my WordPress website, YouTube channel, Upwork profile, and Fiverr gigs. You can use this book to build a complete system that works for you today to get started and advance your work as a freelancer online based on what is working for me today. If you want to get an hourly job, you can work online that pays more than what you are doing right now. You might find the Upwork section of the course very helpful. If you immediately want to have something to show for your work online, you might enjoy learning how you can make your first 20 fast using Fiverr gigs. If you want a business system where clients find you and all you have to do is show what you do on your website and on YouTube, the WordPress and YouTube sections will powerfully combine for you the way they do for me. If you are hiring freelancers to grow your business online or you are serving clients now, you can use this book to build a system for quickly hiring freelancers to help you.
