HOW to MAKE MONEY
DROPSHIPPING: on Autopilot Do the Work Once and Profit Forever Brian Graves, 2017-09-13 What's better than

passive income I set this drop shipping method up where I am bringing in decent income BUT only work 3 5 hours per week to do it and that s just to drive traffic The rest is totally automated Join me to learn how My Method is NOT about going around trying to find the best product on Aliexpress Ebay Amazon etc they work of course and I do use them but this method is about a drop shipper NO ONE is using to make the entire process automated How many people s courses have you bought online that can say that I love passive income and will show you exactly how I do it None of the following are needed No Design skills No Programming or Coding No Technical Madness No Prior online experience No full time hours No Inventory is ever needed at your house EVER Yes AUTOMATED Let s say you sell an item for 35 this may seem small and it is but just think if you made only 10 sales per day That is 350 per day That is over 10 000 in profit every single month Now all the sudden that 35 is looking pretty good right But the truth is you won t have to have 10 orders to make that much because you will have other products in your store Who goes to the store and just buys 1 item right So let s say your average sale gets you around 70 profit Now you only need 5 sales a day to make 10 000 a month in profit Seriously 5 sales a day and this is passive stuff Of course that isn t the max that you can do No one is stopping you from doing 10 sales a day or 50 sales a day My method will fill your store with hundreds and hundreds of unique custom products within minutes the more things you have in your store the more you will sell the higher your average checkout will be that is the truth You want everything you do online to be hands free automated as possible You do NOT want to spend 60 hours a week uploading pictures setting prices created pages in your store finding things to sell handling sales shipping product That s why you NEED my course to show you how I automate the entire process PLUS I am going to show you a totally unique and super cheap way to drive traffic to your store We are getting a 400% ROI with this traffic It s an easy method to set up and you could be running with it by tonight So Let s Recap I am going to show you how to set up a totally automated drop shipping store Plus you are going to learn how to drive traffic to your store Everything is covered to get you up and running within hours All that s left to do is hit the buy button and get started TODAY *Dropshipping Shopify From \$0 to \$10,000+* Allan Pesta,2021-05-16 Running a small business is a difficult job For those who don t have enough capital and experience this may also seem like an impossible job Thankfully the emergence of e commerce businesses paved the way for even small business starters to get an equal business opportunity Starting a dropshipping business is one of those opportunities More and more independent online businesses are betting on this retail fulfillment method to achieve their dream of turning 0 to 10 000 and that s where this ebook is going to be a big help This e book is different from other Dropshipping reference guides available online It does not only focus on the process of setting up an online store for your dropshipping business It goes beyond every WH questions related to the business from 0 to 10 000 this means that this e book will not only help you start your business but we ll also provide the basic knowledge that you ll need to make your business a success too In this book We identified four factors that have contributed to the emergence of e Commerce in Chapter 1 In Chapter 2 we introduced the dropshipping business and

how its process works We have described the meaning of supply chain and supply chain management and how it leads to the development of the dropshipping fulfillment method We also identified the benefits of starting a dropshipping business and pointed out how we can prepare to face its disadvantages In Chapter 3 we dig deeper into the how what where how and why of running such a business We started by defining your business objectives then went on to identify and provide tips on what types of products to sell how to choose your product niche how to choose the most trustworthy suppliers and find out where you can sell your products We also discussed the important legal and financial concerns that you need to address and we provide examples of how to implement a customer acquisition strategy through content promotion In Chapter 4 we have provided a very detailed guide on the step by step process of creating your online store on Shopify we also provided some tips on how to make the right choices by making sure that everything is aligned to your business goals and objectives In Chapter 5 we discuss what comes after you build an online store and start earning money We provided advertising tips to increase awareness and introduced basic marketing tools that you can use for free to create your content We also tackled the importance of Customer Value Journey customer acquisition and retention competition and growth strategy in building a strong and sustainable business that can last long We close the chapter by emphasizing the importance of keeping a positive mindset as the secret tool to your business success We even added an additional chapter to cater to basic Dropshipping Frequently Asked Questions that we may not be able to discuss in the ebook Let s discover the who what where and how of your dream dropshipping business together and figure out the WHYs your business goals and objectives that will lead the way for your dream to come true Just keep one thing in mind as you go through each chapter of this eBook If you know your whys your dream of having 0 to 10 000 dropshipping goals will soon be in our hands If you ll find this ebook beneficial I ll Appreciate your honest thoughts and feedback
