## **Babettes Feasts subtitled:**

Babette's Feast Julian Baggini, 2020-05-14 On the face of it Gabriel Axel's *Babette's Feast* 1989 is a film in which the eyes and mouths of religious zealots are opened to the glories of the sensual world. It is a critique of what Nietzsche called life denying religion in favour of life affirming sensuality. But to view the film in that way is to get it profoundly wrong. In his study of the film Julian Baggini argues that *Babette's Feast* is not about the battle between religiosity and secularity but a deep examination of how the two can come together. Baggini's analysis focuses on themes of love, pleasure, artistry and grace to provide a rich philosophical reading of this most sensual of films.

**Socrates and Subtitles** William G. Smith, 2014-01-10 A sequel to the author's earlier work *Plato and Popcorn: A Philosopher's Guide to 75 Thought Provoking Movies*, this book presents analyses of 95 movies from the Americas and 20 other countries. Each entry includes a brief introduction to the film along with a list of philosophical questions to ponder after viewing it. Most entries also include a list of additional recommended films. The films cover a wide range of genres and topics from the haunting tale of doomed Polish freedom fighters in *Kanal*'s World War II Warsaw to the romantic and passionate story of rekindled love in *Australia*'s *Innocence*. Instructors considering this book for use in a course may request an examination copy here.

**The New York Times Guide to the Best 1,000 Movies Ever Made** Peter M. Nichols, 2004-02-21 From the film critics of *The New York Times* come these uncut original reviews of the most popular and influential movies ever made from the Talkies to blockbuster megahits like *Chicago* and *The Wizard of Oz* from timeless classics like *Casablanca* and *Notorious* to beloved foreign films by Truffaut and Kurosawa, Fellini and Almodovar. The reviews eloquent, incisive and intuitive reflect Hollywood history at its best, must have reading for movie lovers or students. In addition, this essential volume includes full cast and production credits for every movie, The 10 Best lists for every year from 1931 to the present, an index of films by genre and an index of foreign films by country of origin. This edition is thoroughly updated to include all the important movies of the past several years as well as a new introduction by *A Times* film critic A. O. Scott.

*Film and Faith* Carson Holloway, Micah Watson, 2023-11-21 *Film and Faith: Modern Cinema and the Struggle to Believe* explores religious themes in contemporary film with a focus on recent depictions of religion's continuing manifestations in a secularizing age. The contributors are students of philosophy, political theory and theology who examine religious and philosophical ideas in commercially and artistically important modern films. They offer a scholarly yet accessible consideration of contemporary films exploring the problem of faith in the modern world. The approach is balanced, sympathetic but not uncritical, reflecting a complexity in the minds of the contributors themselves. While they are religious believers, nonetheless established scholars trained in mainstream academic disciplines. The chapters cover cinema that are important in different ways and that represent different genres from the art films of Terrence Malick to the more conventional but serious dramas of the Coen brothers and Frank Capra to popular action blockbusters like *The Dark Knight* and the *Marvel* films. Drawing on these cinematic works the authors explore religious themes that remain salient even

in a time when religion seems to be in decline themes such as sin and judgment the experience of grace and reconciliation and confrontation with radical evil *Seen That, Now What?* Andrea Shaw,1996-04-09 This revolutionary reference offers viewers a variety of ways to hone in on the right choice for an evening s entertainment Going beyond the broad categories Action Comedy Drama etc found in most guides this book features small groups of films arranged according to specific categories as historical swashbucklers screwball comedies and Busby Berkeley musicals Shaw eschews the standard star rating system to focus on more telling criteria **Motion Picture Almanac** ,1989 New York Magazine ,1988-03-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Variety's Complete Home Video Directory** ,1989 *The New York Times Guide to the Best 1000 Movies Ever Made* Vincent Canby,Janet Maslin,1999 Gathers New York Times reviews for the best American and foreign films that were released from 1929 to 1998 Film and Television Handbook ,1989 **Tla Film and Video Guide** Wax,1994-07 **Late Nights on Venus** Jean Warmbold,2000 Video Movies Randy Pitman,Elliott Swanson,1990 **Video Movie Guide 1993** Mick Martin,Marsha Porter,1992 **Video Movie Guide 1991** Mick Martin,Marsha Porter,1990 **TV Guide** ,2002-04 **New York** ,1990-12 Access ,2003 **San Francisco** ,1988 Video Movie Guide 1992 Mick Martin,Marsha Porter,1991
