**Practical Decision Making in Health Care Ethics** Raymond J. Devettere, 2009-12-04 For nearly fifteen years *Practical Decision Making in Health Care Ethics* has offered scholars and students a highly accessible and teachable alternative to the dominant principle based theories in the field Devettere's approach is not based on an ethics of abstract obligations and duties but following Aristotle on how to live a fulfilled and happy life in short an ethics of personal well being grounded in prudence the virtue of ethical decision making This third edition is revised and updated and includes discussions of several landmark cases including the tragic stories of Terri Schiavo and Jesse Gelsinger the first death caused by genetic research Devettere addresses new topics such as partial birth abortion law embryonic stem cell research infant euthanasia in The Netherlands recent Vatican statements on feeding tubes organ donation after cardiac death new developments in artificial hearts clinical trials developed by pharmaceutical companies to market new drugs ghostwritten scientific articles published in major medical journals and controversial HIV AIDS research in Africa This edition also includes a new chapter on the latest social and political issues in American health care Devettere's engaging text relies on commonsense moral concepts and avoids academic jargon It includes a glossary of legal medical and ethical terms an index of cases and thoroughly updated bibliographic essays at the end of each chapter that offer resources for further reading It is a true classic brilliantly conceived and executed and is now even more valuable to undergraduates and graduate students medical students health care professionals hospital ethics committees and institutional review boards and general readers interested in philosophy medicine and the rapidly changing field of health care ethics

*The Opera Manual* Nicholas Ivor Martin, 2013-10-30 You are getting ready for a performance of Donizetti's *L'elisir d'amore* and you have a few questions How many clarinets are in the orchestra How many orchestra members appear onstage How many different sets are there How long does the opera typically run What are the key arias Are any special effects or ballet choreography required Who owns the rights Where was it premiered What are the leading and supporting roles *The Opera Manual* is the only single source for the answers to these and other important questions It is the ultimate companion for opera lovers professionals scholars and teachers featuring comprehensive information about and plot summaries for more than 550 operas including every opera that is likely to be performed today from standard to rediscovered contemporary works The book is invaluable especially for opera professionals who will find everything they need for choosing and staging operas But it is also a treasure for listeners Similar reference books commonly skip over scenes and supporting characters in their plot summaries lacking even the most basic facts about staging orchestral and vocal requirements *The Opera Manual* based on the actual scores of the works discussed is the only exhaustive up to date opera companion a recipe book that will enable its readers to explore those operas they know and discover new ones to sample and enjoy

*Wild Women of the Old West* Glenda Riley, Richard W. Etulain, 2003 Presents the sensational lives and exploits of nine notorious women from the days of boisterous frontier saloons and high noon showdowns

Pacific Poultrycraft ,1926      *Baby Doe Tabor* Judy Nolte Temple,2011-11-28 The story of Baby Doe Tabor has seduced America for more than a century Long before her body was found frozen in a Leadville shack near the Matchless Mine Elizabeth McCourt Baby Doe Tabor was the stuff of legend The stunning divorcee married Colorado's wealthiest mining magnate and became the Silver Queen of the West Blessed with two daughters Horace and Baby Doe mesmerized the world with their wealth and extravagance But Baby Doe's life was also a morality play Almost overnight the Tabors wealth disappeared when depression struck in 1893 Horace died six years later According to the legend one daughter left home never to return the other died horribly For thirty five years Baby Doe who was considered mad lived in solitude high in the Colorado Rockies Baby Doe Tabor left a record of her madness in a set of writings she called her Dreams and Visions These were discovered after her death but never studied in detail until now Author Judy Nolte Temple retells Lizzie's story with greater accuracy than any previous biographer and reveals a story more heartbreaking than the legend giving voice to the woman behind the myth
