And he definitely didn't plan to fall for Connor's gorgeous temporary guardian Skye Tomlinson. But weighted by guilt for the accident that took Connor's dad, can Gage find the courage to forgive himself and embrace the chance at a family? **Baby Blessings** Jessica Latham, 2020-02-14 Every mother is equipped with intuition and confidence but those early months sleep deprived, recovering from birth, settling into her new life and bombarded with well-intended but not so great suggestions leaves one feeling alone and questioning her maternal capabilities. In *Baby Blessings*, mother, published writer, and poet Jessica Latham provides clear, simple, and love-filled verses in those moments of uncertainty. Gentle and wise *Baby Blessings* reassures our most innate knowing, bringing back the basic and fundamental need for tenderness and closeness between mother and child through the first transition from womb to world. *Baby Blessings* is for mothers and caretakers aiming at conscious and compassionate parenting: those that work and those at home, those that find most days rewarding and those that find each day a struggle. This is for the woman who knows the sacredness of motherhood but in the busyness and exhaustion of her life has forgotten how to find little moments of joy. Jessica reminds us that our brokenness creates blessing and our most vulnerable spaces really can carve out our most sensitive and loving selves. There are no recommendations Jessica has not experienced personally while raising highly sensitive children and encountering her own difficult beginnings. There is no other book that addresses diaper changes, crying, feeding, sleeping, and the day-to-day trials in such a poignant and reassuring manner. These hymn-like lines help establish a nurturing start for both to proceed in their long journey together. Pick up this book as one would pick up the phone when in need of encouragement from a most trusted friend or wise grandmother. Life is a blessing, and *Baby Blessings* reminds each woman in those times of weariness of the miraculous and challenging that comes and goes so quickly. **Baby, You're a Blessing** Caroline Silva, 2021-02 **The Power of Godliness** Jonathan A. Stapley, 2018 A church's liturgy is its ritualized system of worship: the services and patterns in which believers regularly participate. While the term often refers to a specific formal ritual like the Roman Catholic Mass, events surrounding major life events—birth, coming of age, marriage, death—are often celebrated through church liturgies. By documenting and analyzing Mormon liturgical history, Jonathan Stapley is able to explore the nuances of Mormon belief and practice. More important, he can demonstrate that the Mormon ordering of heaven and earth is not a mere philosophical or theological exercise. *The Power of Godliness* is the first work to establish histories for these unique liturgies and to provide interpretive frameworks for them. **God's Blessings for Baby** Catherine DeVries, 2019 **Baby's Blessings** Lesléa Newman, 2019 Illustrations and simple rhyming text portray a Jewish family surrounded by kugel, candlesticks, challah trays, and more, welcoming the blessing of a newborn baby. **Life Ritualized** Phoenix LeFae, Gwion Raven, 2021-02-08 Make Every Rite of Passage Sacred and Meaningful. Dozens of group and solitary activities for ritualizing life's changes. Commemorate the moments that shape who you are with this book of rituals designed for rites of passage, no matter how big.
