*Bach Flower Remedies for Animals* Gregory Vlamis, Helen Graham, 2012-06-01 Animals Mind Body Spirit Millions of family pets often otherwise physically fit and healthy are put to death every year to give human companions peace and rest from their incontinence unruliness excessive noisiness aggression possessiveness destructiveness or other inconvenience A behavior problem often becomes a terminal disease Indeed euthanasia for behavior problems is the main cause of death in young animals and many people regard it as a treatment The high cost of veterinary attention also results in many animals being discarded or neglected by their owners The consequent price of animal suffering and cost of human regrets and need for welfare services are incalculable They are also avoidable Correcting the behavior problem often saves an animal s life as effectively as surgery or other medical procedures and greatly reduces the suffering of all concerned It does not require
