

Back to the Drawing Board

The idiom 'back to the drawing board' means that an effort has failed and it is time to start over from the beginning, or nearly from the beginning, and devise a new plan or approach.

This expression refers to the fact that many new ideas, projects, designs, etc., start as plans on a drawing board when in their earliest phase.

Back To The Drawing Board

David Trubridge

Back To The Drawing Board:

Back to the Drawing Board Colin B. Carter, Jay William Lorsch, 2004 Business scandals from Enron to WorldCom have escalated concerns about corporate governance into a full blown crisis Institutional investors and legislators have dominated the debate and enacted important changes in corporate accounting and other areas But Colin B Carter and Jay W Lorsch say that we must now focus on the performance of corporate boards This timely book argues that boards are being pressed to perform unrealistic duties given their traditional structure processes and membership Carter and Lorsch propose a strategic redesign of boards making them better attuned to their oversight decision making and advisory roles to enable directors to meet 21st century challenges successfully Based on the authors deep expertise and longtime experience working with boards around the world and on a probing survey of CEOs Carter and Lorsch help boards to develop a realistic value proposition customized to the company they serve The authors explore the core dilemmas and responsibilities boards face and outline a framework for designing the most effective structure makeup size and culture This book provides a candid account of the current state of boards and points the way in a time of crisis and change

Back to the Drawing Board Jennifer Quick, 2022-01-01 The first book to consider the importance of commercial art and design for Ed Ruscha s work Ed Ruscha b 1937 emerged onto the Los Angeles art scene with paintings that incorporated consumer products such as Spam and SunMaid raisins In this revelatory book Jennifer Quick looks at Ruscha s work through the tools techniques and habits of mind of commercial art and design showing how his training and early work as a commercial artist helped him become an incisive commentator on the presence and role of design in the modern world The book explores how Ruscha mobilized commercial design techniques of scale paste up layout and perspective as he developed his singular artistic style Beginning with his formative design education and focusing on the first decade of his career Quick analyzes previously unseen works from the Ruscha archives alongside his celebrated paintings prints and books demonstrating how Ruscha s engagement with commercial art has been foundational to his practice Through this insightful lens Quick affirms Ruscha as a powerful and witty observer of the vast network of imagery that permeates visual culture and offers new perspectives on Pop and conceptual art
