*Town & Country Childhood* Randall Monroe, 2022-07-19 Town and Country Childhood begins in the early 1960s in a small town in Southwest Iowa Growing up in the 60s was not an easy task My dad owned several gas stations before taking over my uncle s bar Town and Country Tavern after his death The death of my grandpa my uncle the Vietnam War the assassinations of President Kennedy and Reverend Martin Luther King and the riots made me question longevity If life was going to be short live it to the fullest regardless of the cost Breaking the rules was considered a right and nothing was going to stop me Growing up in the tavern allowed me to become friends with my dad s friends who survived the forties and World War II I thought drinking and other bad habits were a way to have fun but I learned too late that they were coping mechanisms that eventually destroyed you Eventually it all caught up

**Country Box Set 1** E.L. Thorne, Exile Rachel Kane s recovering from a broken heart And she s broke She s flat out broke and homeless since she found her boyfriend in her best friend s arms in the home that he and Rachel shared A home he owned so of course she s out on her ear now She s got an invitation to take an opportunity that takes her out of state and pays for her living expenses Maybe some clouds do have silver linings She ll take that offer to go to Nevada and study mustangs Luke Everhart s got one thing on his mind Being left the hell alone He s been exiled from his pack and that s just fine and now makes his home near Iron Flats Mesa on the Virginia Range in Nevada He gets along great with the mustangs that make their home there and they re the only company he needs In fact he s their self appointed guardian protecting them from some of the ranchers and government bureaucrats who want to manipulate disrupt their freedom And wouldn t you know it there s a certain woman who s been skulking around checking out the mustangs making notes riding a damned UTV all over the range He knows she s from the government and he has zero trust for the Bureau of Land Management He s wreaked havoc on their expeditions before Little Miss Hot Researcher has another think coming if she believes she s going to be able to turn in any research on his band of horses How s Rachel supposed to complete her job when she s harassed by wolves and a hunky muscular blue eyed dark skinned hottie who doesn t want to do much more than grunt his responses and howl at the moon Justice Maisie Malone s got a problem It started out at 22 and inches 8 pounds 12 ounces It s grown to 30 inches and 21 pounds She doesn t consider it much of a problem at all More like a blessing But she s not the only one who wants this bouncing baby boy in her life He s got a grandfather with a hell of a mean streak and enough money to buy practically anyone And said grandfather wants no loose ends To make matters worse The bouncing baby boy has fur and growls Semi retired bodyguard turned bounty hunter Judd Walker would just as much rather be left alone in his cabin on the outskirts of Crooked Arrow Ranch as he would keep company with anyone But hey even a solitary wolf shifter needs to bring some money in once in a while So when Paul MacIntosh offers him an ungodly amount to find his missing grandson and bring him home to Bitter Hollow Judd has no problem accepting the job How hard can it be to bring a one year old little boy home

Judd didn't count on the tenacity and protectiveness of a mother. Even a human mother. He also didn't count on Paul MacIntosh having a hidden agenda, one which did not include Maisie Malone breathing Rebel Darby's wolf shifter's human daughter. What's that meant in her life? Her father views her as a flawed individual. A failure. So when her human mother and her shifter father split up, he had no interest in her. What's it do to a girl? It creates an obstinate streak which gets caught up on all the wrong priorities. She wants to prove herself to her wolf shifter father by infiltrating the Crooked Arrow Ranch shifters and getting information for her dad. She's got no plan. She's shooting from the hip. Jared's riled up about the rule-breaking going on at Crooked Arrow. They have brought human mates. Now how is this supposed to fit into the rules on the Virginia Range? Granted, the rules are more of an understanding built on respect. On his grandfather's principles. The rules state: Shifters keep a low profile. Shifters do not kill humans. Shifters do not attempt to turn humans. Lore says it's myth, a bite can turn humans. Others say it takes witchery. Back to Jared. Back to those rules. How can shifters keep a low profile when they are mating with humans for frack's sake?

[Losing My Country, Keeping My Soul](#) Allan Glass, 2018. It was 1967 and life in America was the best. I lived and surfed in Miami, Florida, where the waves were as big as the bikinis were small, and every day was another party. The war in Vietnam was an abstract thing. We all knew it would be over soon. I thought I would be riding my surfboard forever, but the US Army had other plans. Without any warning, I was drafted, forced into a conflict I neither understood nor believed in. While others went off to be slaughtered, I went AWOL. What followed was a two-year journey of love, despair, murder, losing my country, keeping my soul.
