Back To Basics Cookbook:

It's Just Not That Complicated Jessica Ward, 2016-08-16 It's time our responsible kids learn to prepare and cook a full dinner for the family. It is great when they are personally introduced to the varieties and tastes of food. Give this book to a new cook with the necessary dinner menu items put them into the kitchen without criticizing and peeping every minute and see what they produce. This cookbook is not for everyone. It is valuable to busy parents, persons with physical limitations, senior citizens on a budget, individuals who want to practice crafting full suppers, beginners in the phases of basic cooking and creating menus, single parents and youths who are beginning to cook. Also great for newlyweds, bachelors, bachelorettes, low to high income households and those weary of using take outs. Experienced cooks can use this cookbook to plan easy day to day menus. This cookbook helps our young reinforce simple math 1 4th 1 2 etc measurements, tbsp, tsp, vocabulary, simmer, par boil, palate and spelling, reading, focus, learning how to carefully follow and absorb instructions and more. Every beginner cook should understand that meals don't have to look perfect. When anyone begins to cook, emphasis should be on learning the basics, not seasonings or perfection. How to use various seasonings, herbs, spices and palate visuals come later. Let's get back to the dinner table when fulfilling, imperfect looking meals mixed with love meant a lot. Introduce your child to cooking using this book and dinner can be on the table when you get home or too tired to cook. It's just not that complicated. **Back to Basics Cookbook** Annette Long, Jennifer Hill, 2013-07-15 *Barefoot Contessa Back to Basics* Ina Garten, 2012-10-30 1 NEW YORK TIMES BESTSELLER The essential Ina Garten cookbook focusing on the techniques behind her elegant food and easy entertaining style and offering nearly a hundred brand new recipes that will become trusted favorites. The Ramblings of an Old Man Chef Cal Kraft, 2014-09-29 Do you long for a time when life was simpler? When everyone knew your name? Do you reminisce about family traditions growing up in the 50s and 60s? Do you remember your teen years and that first kiss? Does your mouth start to water and your heart start to swell as you think back to family holiday meals presided over by mom or grandma? Well, then you can now take that trip down memory lane and re-create those luscious foods in the pages of *The Ramblings of an Old Man* by well-known personal chef and culinary instructor Chef Cal Kraft and his constant feline companion Miss Kitty. It all began in 2006. The author realized that he had spent over half his life living in the suburban community of Danbury Forest, a quaint neighborhood where families escaping the hustle and bustle of Metropolitan DC played together and supported each other in times good and bad. So he wrote a story about that and sent it in to the neighborhood paper. Chef Cal initiated what became his hugely popular monthly column *The Chef's Corner* for the community newsletter. In it, he shared tales about his family and his life growing up in the suburbs of New York. He also wrote about events within the community along with tales of past traditions in his life and others. Several of his articles ventured into the world of fiction as he imagined stories that might have occurred. Each contribution was accompanied by a tasty recipe, often tying the articles and recipes together. A long-time popular culinary instructor in Northern Virginia's Adult Community Education Program, Chef Cal is well-equipped with recipes that he knew his students and now his readers would rush to make themselves. *Ramblings* contributions of over fifty recipes include traditional Italian delicacies, tasty old-fashioned comfort dishes, soups and casseroles, quick and easy desserts, and special holiday treats. Also included is Chef Cal's interpretation of miniature apple pies. Without a doubt, his book will be pulled out to create his meals whenever family and friends are gathered. Several times as Chef Cal was writing his stories, he found that Miss Kitty, the gorgeous white cat that lived with the author and his wife during most of this time, had something to say. So he wrote about that too. In some instances, he even let Miss Kitty write her own story. While *The Ramblings of an Old Man* is dedicated to the residents, both past and current, of that wonderful community known as Danbury Forest, it also resonates with communities all across America. No matter where you live, be it a small hamlet, a rural town, a village, or in a big city, these stories are for you. Some are humorous, others sad, some true, some imagined. They all, however, tell a story and offer an opportunity to re-create the foods that accompanied it. So sit back and enjoy *The Ramblings of an Old Man*.
