Back To Basics The Alcoholics Anonymous Beginners Meetings:

Back to Basics Wally P., 1998-01-01 *The James Club and the Original A. A. Programs Absolute Essentials* Dick B., 2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise *The Greatest Thing in the World* **The Conversion Of Bill**

W. Dick B.,2006 This is a book unlike any of the many recent biographies of A A co founder William Griffith Wilson known as Bill W It is filled with information about Bill s religious education experiences and beliefs from childhood forward Thus Bill s knowledge of his grandfather Willie s conversion on Mount Aeolus and deliverance from alcoholism the involvement of Bill s grandparents the Wilsons and the Griffiths in the life of the little East Congregational Church on the lawn between the two families houses the reading of the Bible by Bill s grandfather Fayette Griffith and by Bill and his boyhood friend Mark Bill s attendance at the Congregational Sunday School and his attendance at Temperance of revival meetings his five yes five self described spiritual experiences including his decision for Christ at Calvary Rescue Mission and his hot flash conversion experience at Towns Hospital his conversations with his famous doctor William D Silkworth about the Great Physician Jesus Christ and cure of alcoholism through Christ Bill s extensive involvement with the Oxford Group and particularly Rev Sam Shoemaker and Bill s intensive involvement in prayer Bible study the use of devotionals and seeking of guidance with Dr Bob and Anne Smith at the Smith Home in Akron particularly in the summer of 1935 All these and more are told in this exciting and little known story about Wilson and God Was Bill converted to Christ Did Bill believe in the Creator Did the Creator have an impact on Alcoholics Anonymous through Bill Wilson Did the Hand of the Creator touch the lives of Wilson and of the A A Fellowship Your most detailed questions and the answers about these subject have never been addressed by A A historians in any depth But A A historian and writer Bible student retired attorney and recovered AA Dick B presents this his thirtieth published title as a crowning historical piece on A A church religion God Jesus Christ and the Bible as they really existed at and before the founding of Alcoholics Anonymous on June 10 1935 **Subject Guide to Books in Print** ,2001
