Back To Patriarchy:

Back to Patriarchy Daniel Amneus, 1979 *Patriarchy's Creative Resilience* Michael Kramp, 2024-02-26 Patriarchy's Creative Resilience explores the disturbing sustainability of White male supremacy Kramp traces an imaginative failure and an imaginative success his focus on British speculative fiction published between 1870 and 1900 demonstrates how even this elastic and wildly inventive literary form remains incapable of promoting non patriarchal masculinity and he attributes this inability to the creative resiliency of white male supremacy He demonstrates the inventive use of diverse resources that we frequently view as custom or uncomplicated history and a versatility that we often dismiss as sheer power He draws on an archive of late nineteenth century speculative fiction to detail a versatile patriarchal toolbox including hegemonic masculinity control of dangerous women hyperbolic and sentimental performances of male sovereignty and reversions to authoritarian at times violent conduct He also considers how the classic military strategy of dividing to conquer undergirds all these tactics inhibiting our creating energies and dynamic collaborations Various chapters demonstrate the enterprise ingenuity and adaptability of patriarchy to refashion and rejustify normalized systems of oppression While scholars have consistently identified moments and agents of resistance to patriarchal structures by highlighting creativity resiliency and resourcefulness Kramp's project reveals how patriarchy itself is creative resilient and resourceful *Back Over the Sexual Contract* Lorenzo Rustighi, 2021-12-27 Is patriarchy an illness of democratic societies or a structural problem To answer this dilemma *Back Over the Sexual Contract A Hegelian Critique of Patriarchy* examines the dilemma of patriarchy in modern European political theory by reopening the question of the sexual contract Through a study of the thought of Thomas Hobbes John Locke Jean Jacques Rousseau and Immanuel Kant Lorenzo Rustighi argues that the conceptual roots of male patriarchal entitlement should be sought in the logic of authorized power that underpins the modern understanding of both the state and the family Challenging the mainstream distinction between the private and the public Rustighi provocatively suggests that patriarchy is not something that undermines democracy as an alien threat but is rather inscribed in the intrinsically anti democratic effects of the concept of democracy construed by the modern rationale of the social contract He puts forward a Hegelian argument to propose an unconventional constitutional approach to feminist political theory that helps us rethink democracy beyond its inherent impasses *Challenging Patriarchy* Caroline Kioko, Rosebelle Kagumire, Mbalenhle Matandela, 2020 **The Manuscript Inventories and the Catalogs of Manuscripts, Books, and Periodicals: Book catalog, A-Chal** Arthur and Elizabeth Schlesinger Library on the History of Women in America, 1984 Essays and Writings on Love and Women's Issues: The Collection, Vol. II (2022-2025) B. A. Hunter, 2025-10-06 This work contains the final articles on the issues of culture law history and sex and gender roles from the author's last years of blogging written between 2022 and 2025 including additional formerly unpublished commentary added at the end to close out the volume and thus the distinctive chapter in the author's life **The Seven Necessary Sins for Women and Girls** Mona

Eltahawy,2019-09-17 A bold and uncompromising feminist manifesto that shows women and girls how to defy disrupt and destroy the patriarchy by embracing the qualities they ve been trained to avoid Seizing upon the energy of the MeToo movement feminist activist Mona Eltahawy advocates a muscular out loud approach to teaching women and girls to harness their power through what she calls the seven necessary sins that women and girls are not supposed to commit to be angry ambitious profane violent attention seeking lustful and powerful All the necessary sins that women and girls require to erupt Eltahawy knows that the patriarchy is alive and well and she is fed the hell up Sexually assaulted during hajj at the age of fifteen Groped on the dance floor of a night club in Montreal at fifty Countless other injustices in the years between Illuminating her call to action are stories of activists and ordinary women around the world from South Africa to China Nigeria to India Bosnia to Egypt who are tapping into their inner fury and crossing the lines of race class faith and gender that make it so hard for marginalized women to be heard Rather than teaching women and girls to survive the poisonous system they have found themselves in Eltahawy arms them to dismantle it Brilliant bold and energetic The Seven Necessary Sins for Women and Girls is a manifesto for all feminists in the fight against patriarchy **Anti-Judaism in Feminist**

Religious Writings Katharina von Kellenbach,1994 This work is the first comprehensive study of anti Judaism in feminist religious writings Katharina von Kellenbach provides a critical evaluation of how Judaism has been depicted in major American and West German feminist theologies including the writings of Rosemary Radford Ruether Carol Christ and Elisabeth Moltmann Wendel Applying Foucault s categories of discursive practice von Kellenbach demonstrates that feminist theologians portray Judaism negatively in comparison to Christianity and paganism identify it as the source of patriarchy and render it invisible as a religious alternative after the rise of Christianity This book calls on feminist theologians to combat the pervasive tradition of Christian anti Judaism **Break the Good Girl Myth**

Interrogating Idiotic Education is a conceptualization of protest and resistance against the cultural politics of oppression and domination of people of African descent in the Caribbean and North America It is also a theorization of their redemption from being victims of racism classism sexism and heterosexism The book combines the theoretical models of discrimination and oppression through the use of the axis of the social evils to critically analyze the cultural politics of education in relation to black people in the African Diaspora It does this through the lens of critical redemptive education which is seen through an Afrocentric philosophy The book illustrates how the lives of black people are constructed by slavery and colonialism which have etched their mores into the black psyche The book advocates the view that slavocracy the colonial construction of black psyche is not indelible It can be deconstructed through conscience and reconstructed through a non idiotic liberatory education using the philosophy of critical redemptive education which fosters a genuine koinonia among black communities serving as the antidote for the current black nihilism in black communities which is the legacy of our oppressive existence

The Posthuman Condition in 21st Century Literature and Culture María Ferrández-Sanmiguel, Esther

Muñoz-González, Carmen Laguarda-Bueno, 2025-06-18 More than a decade after its first definitions critical posthumanism has become consolidated as a key discourse for the understanding of our contemporary state of being within what has been called the paradigm of posthumanity but also crucially as an ideology and a praxis that guides our engagements with the world around us This double dimension characterizes the contributions to this volume They resort to critical posthumanism in its most recent developments as a set of tools for critical and cultural analysis of our posthuman times as posthumanist concerns manifest in our cultural products This volume studies the most recent evolutions in the field of critical posthumanism as represented in key novels and other screened popular cultural products produced in the first and second decades of the twenty first century Resorting to the analytical tools provided by critical posthumanist theory in cross disciplinary dialogue with other fields such as transhumanism feminist gender and queer theory vulnerability studies new materialism critical animal studies and environmental theory the scholars whose work this volume showcases bear witness to how literature and popular culture have been influenced and impressed by posthumanism Chapters 1 5 7 8 and 12 are available open access under a Creative Commons Attribution 4.0 International License via Springerlink **Hard New**

World Hugh White, 2025-06-02 What is Australia's place in the new global landscape Are we ready for our post American future In an era of rising danger for all and dramatic choices for Australia Hugh White explores how the world is changing and Australia should respond Under Donald Trump America's retreat from global leadership has been swift and erratic China Russia and India are on the move White explains the big strategic trends driving the war in Ukraine and why America has

lost Asia He discusses Albanese Labor s record and its post election choices and why complacency about the American alliance including AUKUS is no longer an option This essential essay urges us to make our way in a hard new world with realism and confidence The Canberra establishment is shocked by any suggestion that we should walk away from the ANZUS commitments They think we can and must depend on America more than ever in today s hard new world But that misses the vital point It is America that is walking away from the commitments it made in very different circumstances seventy five years ago That was plain enough under Joe Biden It is crystal clear today under Trump Hugh White Hard New World
