Background Of The Gospels Or Judaism In:

The Background of the Gospels William Fairweather, 1908 **The Background of the Gospels** William Fairweather, 2015-01-29 Covering the period from the Maccabean revolt to the destruction of Jerusalem under Titus Fairweather's impressive work should be an important point of reference for those wanting to develop their knowledge on the evolution of Judaism as a spiritual movement **The Background of the Gospels** William Fairweather, 1911 [The Background of the Gospels, Or, Judaism in the Period Between the Old and New Testaments](#) William Fairweather, 1920 **In the Days of Jesus** Anthony J. Tambasco, 2006-05-05 What was it like in the time of Jesus? What was Jesus really like? Did he really perform those miracles? In this book the author seeks to answer these questions and many others about the Jesus of history. The author centers on two main concerns: how much Jesus was a part of his Jewish culture and how much he moved beyond this culture to new and unique insights. Tambasco explores the very human face of Jesus. This book will be a useful tool to undergraduates seeking an overview of the Jesus of history and his claims. To those in adult education the book presents a useful summary of the foundational Christian story and its teaching. To those outside of Christianity or to the non-committed the work will satisfy curiosity over why Jesus has attracted such a following. To all its readers the book tries to answer the basic questions: Who was Jesus of Nazareth? What would it have been like to meet him in history? What makes him so special? *The Background of the Gospels* Fairweather William, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Background of the Gospels** William Fairweather, 1977-09-01 Originally published by T T Clark in 1920 **The Background of the Gospels** William Fairweather, 2018-02-16 Excerpt from *The Background of the Gospels Or Judaism in the Period Between the Old and New Testaments*. This volume has been prepared in fulfilment of the duty laid upon me in connexion with my appointment to the Cunningham Lectureship and is now published in accordance with the terms of that appointment. Chapters VI and VIII are additional to those which formed the subject of Lectures in Edinburgh in February and March 1907. The notes in the Appendix consist partly of illustrative quotations and partly of discussions on points which could not suitably be handled in the body of the book. Fredriksen,2000-12-05 Paula Fredriksen renowned historian and author of *From Christ to Jesus* begins this inquiry into the
historic Jesus with a fact that may be the only undisputed thing we know about him his crucifixion Rome reserved this means
of execution particularly for political insurrectionists and the Roman charge posted at the head of the cross indicted Jesus for
claiming to be King of the Jews To reconstruct the Jesus who provoked this punishment Fredriksen takes us into the religious
worlds Jewish and pagan of Mediterranean antiquity through the labyrinth of Galilean and Judean politics and on into the
ancient narratives of Paul s letters the gospels the Dead Sea Scrolls and Josephus histories The result is a profound
contribution both to our understanding of the social and religious contexts within which Jesus of Nazareth moved and to our
appreciation of the mission and message that ended in the proclamation of Jesus as Messiah **Matthew's Gospel and**
Judaism in the Late First Century C.E. Anthony Ovarero Ewherido,2006 Following a thorough examination of the
structure language and argument of Matthew s discourse on parables Anthony O Ewherido underscores its primary relevance
to the ongoing discussion on the social context of Matthew s Gospel The convincing analysis of the textual evidence and study
of some social and historical trends in Christianity and Judaism in the post 70 C E era inform Ewherido s conclusion that at

the time the Gospel was written to its predominantly Jewish Christian community that community had parted ways with Judaism and stood at an ideologically irreconcilable distance from the synagogue across the street *The Background of the Gospels, or Judaism in the Period between the Old and New Testaments* Eugene Fairweather, 1977 This is a photographic reprint of a book of the same title in 1920 by T T Clark *Jesus, Gospel Tradition and Paul in the Context of Jewish and Greco-Roman Antiquity* David Edward Aune, 2013 This volume contains a collection of twenty two of David E Aune s essays focusing on a variety of issues in the interpretation of the Gospels Gospel traditions Paul and the Pauline letters Most essays center on the exegesis of particular problematic passages in the Gospels Acts and the Pauline letters In some essays the author discusses Pauline anthropology in others he investigates the phenomenon of oral tradition in the ancient world and the Gospels or deals with the problem of the genre of the Gospels Mark and Matthew and Romans He critically reviews recent research on justification by faith in Paul and investigates the meaning of euaggelion in the titles of the Gospels He also deals with such historical and contextual problems as the proposed relationship between Jesus and Cynicism in first century Palestine evaluating Jesus tradition in the Gospel of Thomas and dualism in the Fourth Gospel *The Origins of John's Gospel* Stanley E. Porter, Hughson T. Ong, 2015-09-29 The essays in *The Origins of John s Gospel* gathered by Stanley E Porter and Hughson T Ong either survey or discuss in detail various areas and topics in Johannine scholarship especially in the study of John s Gospel These include the authorship and dating sources and traditions of John s Gospel its structure and composition the Johannine community and Johannine anti Judaism and the Son of Man sayings Collectively these essays offer important contributions to various areas and topics of research relating to the origins of John s Gospel **The Background of the Gospels: Or, Judaism in the Period Between the Old and New Testaments: The... Cunningham Lectures** W. Fairweather, 1908 *A Prologue to Studies in the Fourth Gospel* Riku P. Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel s unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel s wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students
