Backrooms A Story Of Politics:

Backrooms Colin Thatcher,1985 *Minding the Public Purse* Janice MacKinnon,2003 Janice MacKinnon became minister of Finance for the province of Saskatchewan in 1993 under NDP Premier Roy Romanow just as the province became the first casualty of the debt and deficit crises that dominated both provincial and federal politics throughout the decade *Minding the Public Purse* is a unique mixture of political memoir and policy analysis An insider s account of how Saskatchewan avoided fiscal catastrophe it reveals the dynamics of the federal provincial finance ministers meetings that saw the rise of Paul Martin and his radical transformation of Canada s finances MacKinnon Canada s first female finance minister provides keen observations on how personalities and shared regional perspectives cut across party affiliations in the evolution of federal provincial deliberations on managing the debt crisis Although initially opposed to the radical cuts and downloading unilaterally imposed by the federal minister of Finance in his 1995 budget she now argues that they were essential and analyses how they have irrevocably transformed the Canadian federation MacKinnon provides a timely analysis of the implications of the fiscal crisis for the future of medicare and Canada s other social programs and shows why politicians must involve the Canadian public in an open and frank debate about the challenges and choices facing the nation

Bare Knuckles and Back Rooms Ed Rollins,1996 Who else but Ed Rollins the brilliant bare knuckled political consultant would dare give us the inside story on how Washington really works Famously outspoken Rollins is a true maverick whose gift for winning campaigns is matched only by his talent for generating controversy Now in this astonishingly candid book he delivers a no holds barred hugely entertaining account of his thirty year career in American politics Rollins has worked for almost every major Republican politician of the past two decades but he was never a member of the Washington aristocracy Raised in the tough shipyard town of Vallejo California he fought as a championship amateur boxer and won over 160 bouts His love of politics was kindled when he worked for Bobby Kennedy s presidential campaign in 1968 but after Kennedy s assassination and a life changing experience during a violent anti war demonstration he joined the Republican party By 1981 he had worked his way up to a job in the Reagan White House the following year he became the president s top political adviser He has battled at the center of the political arena ever since and he and his candidates have won far more often than they have lost If Rollins loves anything more than a good fight it s a good story Here is Richard Nixon complaining to him about the lack of a nut cutter in the Reagan administration Nancy Reagan berating him for his atrocious attire Barbara Bush telling him he s not welcome in the White House Ross Perot wailing about how expensive campaign advertising is Arianna Huffington hiring a private detective to investigate an unfriendly journalist But Rollins has made some spectacular blunders of his own and he tells stories on himself too most particularly when he provides the first full account of his role in the scandal that followed Christine Todd Whitman s election as governor of New Jersey BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Acadiensis* ,2004
