Samson, Never Like This Before Henry Hearn, 2025-11-14 This is a book that the Lord inspired me to write about a man named Samson and how the power of God was demonstrated through a human being named Samson It's unlike any other Samson that we have seen or read about I'm telling the truth about his strength and speed as he's fighting breaking ribs reaching inside of men's chest and pulling out their heart throwing people thirty feet into the air He picked up chariots running through the crowd of soldiers slaughtering the enemy with a chariot in each hand swinging them backward forward and from side to side knocking his enemies into oblivion It doesn't say that in the scriptures Nevertheless the truth will remain in the Holy Bible about what Samson did like the time when he used the jawbone of an ass when he defeated the Philistines In my book Brother Miller would always correct Toad and I when we were telling a story from the Bible and we would exaggerate about it and our imagination would take over He would then take us back to the Bible and remind us of the scripture The Bible says that Samson married a Philistine woman from Timnah but it doesn't go into detail about how they met before he told his father that he wanted her to become his wife I began to think about his wedding feast of how he was celebrating his marriage to a woman who was of the same race as his enemies and how he knew within himself that all the Philistines wanted was him locked up in prison and it didn't matter to them at all that they were at a wedding celebration I began to imagine Price my grandson and some of my friends that I talk with all the time as Philistines fighting Samson In my mind I could see Price interrupting the wedding feast as he stood in front of Samson trying to pry a cup out from under Samson's fingers but could not The wedding feast lasted a few days and this was the perfect opportunity Price needed to get the answer to Samson's riddle Later Price being disrespectful tries to rile Samson again by loudly talking to him telling everyone that he now has the answer to the riddle but Samson continues holding his bride close to him as they slowly danced to Love between a Boy and Girl Ha ha ha there goes my imagination again As we know that song wasn't around in those days However what Price did in the next few minutes changed Samson's life This was only the beginning of a chain of destructive events that Samson created while visiting revenge upon the Philistines Later the

story tells us how Samson disobeyed his God and the comeback his God blessed him to make After Samson felt God s mighty power again and his strength was restored to him he asked God to let him die with his enemies The Bible says that Sampson destroyed more Philistines at his death than he did in his lifetime *Air University Quarterly Review* ,1980 **A Handbook of Stunts** Martin A.
