Bad Choices A Look Inside Planned Parenthood:

Bad Choices Douglas R. Scott, 1992 **Biblical Counsel** , 1993 The Theory of Christian Psychology Eva Klostreich, 2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches who only need God when they discovered I was a psychologist and criticized by others who only need psychology Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her first book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research Utopian Road to Hell William J. Murray, 2021-03-26 William Murray provides a unique perspective that should be read particularly by America's youth at a time central planners are once again promising utopian dreams at a cost to the most productive among us Governor Mike Huckabee Utopian dreamers are deceived and deceiving Their fight for the people rhetoric may sound good at first but history proves egalitarian governments and the cultures they try to create destroy freedom destroy creativity destroy human lives create poverty and misery and often spread beyond their borders to bring others under slavery Utopians believe that through their own personal brilliance a better society can be created on earth When the belief in man as a creation in the image of God is completely rejected the use of slavery and mass execution can be justified in the name of the creation of a utopian state for the masses Pol Pot Vladimir Lenin Adolf Hitler Joseph Stalin Mao Tse tung together these so called visionaries through their fanciful policies are responsible for the deaths of millions of people In Utopian Road to Hell William J Murray son of atheist apologist Madelyn Murray O Hair describes the totalitarians throughout history and the current utopians who are determined to engage in social engineering to control the lives of every person on earth From Marx to Hitler Murray explains the progression of socialist engineering from its occultist roots to the extreme madness of the Nazis nationalistic racism From Margaret Sanger's Planned Parenthood and Saul Alinsky's Rules for Radicals the rebellious desire to be free from morality drives the at any cost campaigns such as abortion on demand no fault divorce same sex marriage and overreaching government provisions From Woodrow Wilson's living document distortion of the Constitution and his income tax to FDR's New Deal to Obama's executive orders those who seek centralized power typically do so by proclaiming some utopian scheme that they claim will

perfect mankind and eliminate competition greed poverty and war William J Murray masterfully educates us on the utopians swath of destruction throughout history and warns us of the dangers of present day utopians fighting to hold power We must heed the warning of George Washington when he said in his 1796 Farewell Address that it is important for those entrusted with the administration of this great and free nation to confine themselves within their respective constitutional spheres avoiding in the exercise of the powers of one department to encroach upon another We must reclaim the freedom of the individual to avoid the continued path down the utopian road to hell

Grand Illusions George Grant,1993 **Children by Choice?** Ann-Katrin Gembries,Theresia Theuke,Isabel Heinemann,2018-05-22 During the 20th century medico technical advances such as the invention of the latex condom 1930 the arrival of the contraceptive pill on the free market 1960 61 and the birth of the first child conceived by in vitro fertilization 1978 contributed to the fact that in Europe and the USA the planning conceiving and making of children was increasingly perceived as a matter of individual and collective decision making Especially since mid century these societies underwent profound political economic and cultural evolutions In the realm of human reproduction the relationship between the possible the desirable and the permitted had to be continually renegotiated This volume examines in nine chapters how thinking speaking and acting changed with regards to reproduction and family planning throughout the modern and post modern period Applying an international comparative perspective the study specifically focuses on the role of value changes underlying these transformation processes

Popular Culture and Law RichardK. Sherwin,2017-07-05 What are the consequences when law s stories and images migrate from the courtroom to the court of public opinion and from movie television and computer screens back to electronic monitors inside the courtroom itself What happens when lawyers and public relations experts market notorious legal cases and controversial policy issues as if they were just another commodity What is the appropriate relationship between law and digital culture in virtual worlds on the Internet In addressing these cutting edge issues the essays in this volume shed new light on the current status and future fate of law truth and justice in our time
